NAME: _____ Date: _____

ADDRESS: _____

DAYTIME PHONE: _____

E-MAIL: _____

PLEASE CHECK YOUR SELECTION(S):

- BASIC RAIN BARREL KIT (Cost is \$60) - The rain barrel kit consists of a 55 gallon recycled plastic unpainted barrel with a brass spigot, winter plug and downspout diverter. Cost includes delivery for Seven Hills residents. Installation and masonry block base are not included.
- ADDITIONAL RAIN BARREL (Cost is \$40) – This is for residents who wish to connect two (2) rain barrels side by side. The cost includes a 55 gallon recycled plastic unpainted barrel with a brass spigot and a linking kit.
- INSTALLATION (Cost is \$70) – Please have Bush Remodeling (Seven Hills registered contractor) contact me to arrange installation. I understand that I am responsible to contract with Bush Remodeling. I understand that I am responsible to pay Bush Remodeling directly. Installation of rain barrel from 8” to 32” above the ground which includes masonry blocks and includes first year of winterization.
- WINTERIZATION and SPRING STARTUP (\$35 per year) – Please have Bush Remodeling contact me for winterization and spring startup services. I understand that I am responsible to contract with Bush Remodeling. I understand that I am responsible to pay Bush Remodeling directly.

Orders accepted and paid at the Seven Hills Building Department only. Orders are processed at the end of each month. Please allow approximately 30 days for delivery from the end of the month the barrel is ordered. Contact Seven Hills Engineering Department with questions at (216) 525-6226 or e-mail engineer@sevenhillsohio.org.

I understand and agree that the City of Seven Hills is not responsible for the products, conditions, performance, and/or installation of the rain barrel kits. The City of Seven Hills is offering the kits to assist the residents as a one-stop place to purchase kits and that I am able to find my own suppliers and installers. No guarantees and warranties are implied or expressed by the City of Seven Hills, suppliers and/or installers.
