RESOLUTIONS OF COMMENDATION

Resolution No. 13-2019 – A RESOLUTION OF COMMENDATION TO **NADA R. FLEMING RN NC USNR-Ret**, CITY OF SEVEN HILLS HALL OF FAME RESIDENT OF THE MONTH, MAY 2019.

MOTION by Ms. Kelly, seconded by Ms. Stager, to read Resolution No. 13-2019 in its entirety for its first and final reading.
Roll Call: all yea **MOTION CARRIED**
Resolution No. 13-2019 was read in its entirety by the Clerk of Council for its first and final reading.

MOTION by Ms. Kelly, seconded by Ms. Stager, to adopt Resolution No. 13-2019 as an emergency measure.

Ms. Kelly stated:

“I will say, Nada, I read your bio online, and it is incredibly impressive. I cannot think of a more deserving soul for this. I want to thank you for your service to our Country, City, and everything else in between, because you have done a whole lot in a short period of time. It is incredibly impressive. I also want to say that it’s an honor to know you and a privilege to call you my friend. Congratulations.”

Mr. Elliott stated:

“Nada, thank you for your service to our Country and for being a nurse. I have two daughters that are.....actually our second one is graduating this week from Nursing School. I hope she has half the career you have. Also, I would like to thank you for your gift of a son, who is one of our main volunteers, helping us with Calvin Park. He works in the rain -- so the apple doesn’t fall too far from the tree as far as service. Thank you.”

Ms. Stager stated:

“Thank you so much for everything you do for the City. And, on top of all of your accomplishments and accolades, you are just a warm, loving, delightful human being. Thank you so much. I am just thrilled that I am getting to know you.”

COUNCIL MEETING HELD May 14, 2019

Mr. Greenwald stated:

“Commander Fleming, I would just like to congratulate you on this honor. I think that it is a small one for a lifetime of service to both your Country and humanity as a nurse. I would like to echo what Leslie Stager said. Since I began in public life in Seven Hills, you have been one of the consistently nicest persons that I have come across. It is always a pleasure to see you. Thank you for your service, and congratulations.”

Mr. Snitzky stated:

“I can’t add much to all your accolades here, but it’s a funny story. The first time I met Nada, and I didn’t know any of this about her, I just was campaigning and I ran into Nada on Karen Drive, and we started talking. I instantly realized what a stellar person this was. I did not know anything else about your involvement with the VFW -- but is that true. I am so glad you’re in my Ward and glad you are one of the people that..... I’m just glad you’re in my City. I wish you all the best in the future.”

Mr. Martin stated:

“Nada, I do not know you, you know, but I certainly know your reputation. As such, I think the best honor I can say is, never forget. As a community, we are not going to forget our volunteers and not forget those who have served. You have done it quietly, and you have done it professionally. It is appreciated by the entire community whether they know you or not.”

Council President Biasiotta stated:

“Thank you is not a strong enough word! Councilwoman Kelly earlier said, I can’t think of a more deserving person for a Resolution of Commendation and to be recognized as the Citizen of the Month. To have Citizen of the Year, you have my vote. To bring up Councilman Elliott’s notion, so much of your career, we talked about one part of it tonight, we can’t lose sight that you are a nurse caring for people, making people better. As my family has aged, I have a much greater appreciation for the health care industry than I ever had as a young man. So, thank you for that service. Kudos to rising to the level of Commander of the United States Navy. You have a Coast Guard look. *(There was laughter from those attending.)* Anyhow, the United States Navy -- what an accomplishment! Specifically, your time in Desert Storm and Desert Shield. It is a grateful nation. We thank your family too, because when you were off taking care of the needy as a nurse or serving the Country in Desert Shield, you know, it’s time away from the family. So, kudos to your family for being supportive. There is no way you could have rose to the level of Commander without their support.”

COUNCIL MEETING HELD May 14, 2019

Council President Biasiotta continued:

“And let’s talk about all the things the VFW has done for Seven Hills – all the volunteer times, Christmas parties, and the parades that you have helped organize over the years. It is a great thing, and we thank you. If you didn’t have the support of your family, it would have been that much harder. Thank you to your entire family.”

Council President Biasiotta concluded:

“I also want to call out and give gratitude -- it was Nada who brought her ideas to help at Calvin Fields. So, her service and her ideas never end -- her contribution to this community. So, with much appreciation, I will be voting ‘yes’ tonight on this Resolution.”

Director of Law Pignatiello stated:

“I would just like to add that I appreciate you for your service to our Country and the City. Your biography is quite impressive. Congratulations.”

Mayor Dell’Aquila stated:

“You and I have known each other for a number of years. I have always considered you a close friend. Knowing residents like you who live in our City, makes me proud, and frankly hearing your bio in more detail than I ever imagined, humbles me. I hear these things that you have accomplished in your career, and I think to myself, I haven’t done anywhere near that amount of wonderful things. I can only imagine what you have gone through to achieve those many results that you have in your career -- the Vietnam War, retiring, winding up in the Middle East again, seeing all the suffering and helping people through all of that. I get goose bumps thinking about all you have gone through and how much you have committed your life and your career to helping others, and then to achieve the rank of Commander of the United States Navy. As you know, I have a relative who is a retired Navy Veteran. He is also Serbian -- we shared some things about him. I see your giving spirit reflected in your family. I have gotten to know most of your family. I see reflected in them the spirit you bring and the energy that you devote. I am frankly quite humbled by what you have accomplished. I am so proud to be part of..... we are not adding to your accomplishments here, because there is no way we can add to what you have already done. We are just simply recognizing them. Thank you so much. And, it sounds trite, but I will say it anyway -- thank you for your service to your Country and to your City. I am so proud to call you a friend.”

RESOLUTION NO. 13-2019 IS DECLARED ADOPTED.

City of Seven Hills

Record of Minutes of

COUNCIL MEETING HELD May 14, 2019

There was a hearty round of applause from the audience and all those present upon the adoption of Resolution No. 13-2019.

Nada R. Fleming RN NC USNR-Ret stated:

“Thank you all so much -- very much. I am very honored and feel very privileged to have received this award. What I do, is just who I am. I enjoy doing and helping and caring for others, and doing what I can to make things better for others. I am very humbled. I thank you all so very much for allowing me to be a part of this community and helping out wherever I can. I feel awkward because I am usually on the other side taking the pictures and giving the awards. So, I am awkward right now receiving an award. But, I thank you all so very much for everything, and my family and my friends who came out to support me. They have supported me all these years, even during Desert Storm and all my activities with the VFW and the City. I appreciate it. Thank you.”

There was an additional enthusiastic round of applause from everyone present as Council President Pro Tem Stacey Kelly left her seat on the dais and proceeded to the audience to present the Resolution of Commendation to Nada Fleming.

Councilperson Kelly presented the Commendation on behalf of Council and the Administration to Nada Fleming with her best wishes for never-ending achievement and continued success.

Council President Biasiotta called for a short recess in the meeting allowing members of the audience to exit Council Chambers.

MISCELLANEOUS

Council President Biasiotta:

Today we had the hazardous waste pick-up and old computer pick-up. It was another exceptional turnout -- not quite what the shredding was a couple of weeks ago.

City of Seven Hills

Record of Minutes of

COUNCIL MEETING HELD May 14, 2019

Council President Biasiotta (continued):

The shredding was an absolute block-buster, off-the-scales record breaker. We still had a great turnout for this hazardous material pick-up and old computer pick-up. It shows that the residents are reading the newsletters and listening to the robocalls. They appreciate this service that we offer.

Ms. Kelly had no miscellaneous comments.

Mr. Elliott had no miscellaneous comments.

Ms. Stager had no miscellaneous comments.

Mr. Greenwald:

I would like to say that I am very proud of the prevailing wage legislation that we passed tonight. I think that might be the most political thing I said up here, but we live in an era where waging has been stagnant for a long time, where hard work has been undervalued, and I am proud that we did that. I am happy that it also benefits the City. It is the best kind of measure to pass.

Also, I would like to wish the Cavaliers good luck tonight with their ping-pong balls.

Mr. Snitzky:

I have two variances to consider from the Zoning Board of Appeals.

Mr. Snitzky said, at the Wednesday, May 8, 2019 meeting of the Zoning Board of Appeals, the Board made the following motion regarding a variance requested:

“3320 Forest Overlook Drive, Davie and Dawn Toensing

The Zoning Board of Appeals voted whether (or not) to grant applicants and property owners, Davie and Dawn Toensing, of 3320 Forest Overlook Drive, a 1’ variance to Ordinance No. 1106.02(c) Driveway Construction, to allow the homeowners to construct a driveway pad extension 4’ off the side yard lot line contingent upon compliance with Ordinance No. 1106.02(d).

Mr. Snitzky continued:

We get into a lot of contentious things. I think it was Councilperson Kelly that thought it up, but I am not 100% sure. These awards we are giving to residents -- what a great, feel-good thing. It is just one of those little things that makes you aware of the talent in the community. It makes you feel good sitting up here, with all we have got to put up with, about the people we represent. I just wanted to say that.

Mr. Martin:

I just want to say as a newcomer who has been around for a few weeks now, I have had a series of questions for each of the members of the Administration and individual Council people. Some of them are hard questions, and just so I come out the door kicking correctly, I just want to say thank you to each and every one of you and for the answers you have given me. It’s the cooperation of this Administration and this Council. Proud to be a member of it. Again, I look forward to working with all of you as we go on. I appreciate the hard questions, and the easy ones. Thank you for your efforts.
