RESOLUTIONS OF COMMENDATION

Resolution No. 26-2018 – A RESOLUTION OF COMMENDATION TO FIREFIGHTER BOB PERKO – THIRTY-SIX YEARS OF SERVICE, CITY OF SEVEN HILLS DEPARTMENT OF FIRE.

MOTION by Ms. Kelly, seconded by Mr. Elliott, to read Resolution No. 26-2018 in its entirety for its first and final reading.

Roll Call: all yea

MOTION CARRIED Resolution No. 26-2018 was read in its entirety by the Clerk of Council for its first and final reading.

MOTION by Ms. Kelly, seconded by Mr. Elliott, to adopt Resolution No. 26-2018 as an emergency measure.

Council President Biasiotta stated:

"On behalf of the City, or on behalf of Council at least, I want to thank Bob Perko for the 36 years. The First Responders hold a special place in my heart. Many family members are Firemen or have been Firemen. I know the sacrifices that a Firefighter like Bob makes, and in doing so, the sacrifices the family makes. You can’t accomplish anything for 36 years if you don’t have a great support unit around you. You’re working nights, you’re working weekends, you’re working Holidays -- time away from your family and the people you care about to service this community and be there for the residents of Seven Hills when we need you. And, all the times you report in when someone else calls in sick and you drop everything at home to be there so that we have a safe community. I want to thank you for 36 years of doing that in an expert fashion. From a grateful City, congratulations on your retirement, Bob Perko."

Director of Law Pignatiello stated:

"I just want to congratulate you and personally thank you for 36 years of service. The City can rest easy with guys like you up there. I’ll miss the group that is getting to that age where they are all moving on. I can identify with you. But, good luck in whatever you choose to do and thanks to Annie (Bob’s wife) for putting up with you.”

Ms. Kelly stated:

"Firefighter Perko, I would like to thank you for your dedication and service to the City. It is well appreciated. I wish you a healthy and safe retirement. Thank you.”

Mr. Elliott stated:

"Thank you for your service. If we are hiring in the future, we’re going to take a strong look at you.”

COMMUNICATIONS, PETITIONS, AND CLAIMS
Joe Toth, Manager of the EMS Institute at the Parma Medical Center, made the following comments:
Mr. Toth began:

"Good evening. My name is Joe Toth, and I am the Manager of the EMS Institute at the Parma Medical Center. I also brought with us Mary Beth who is our manager of Community Outreach, Deb Light, who is our Manager of the Cardiac Cath Lab, and Peter Bergman, who is our Hospital President. We at Parma have had a great relationship with the Fire Department for many years. Over the past couple of years, we have been able to partner with the Seven Hills Police Department. We have done training such as Narcan Training and provided Narcan Kits to all the Officers to help fight against the opiate crisis. We did, Stop the Bleed Training, which helps the Officers stop traumatic bleeding in others as well as themselves, if need be. Next week, we are going to do a CPR and AED Renewal Class for them."

Mr. Toth continued:

"Tonight, we are happy to be able to present ‘Stop the Bleeding Kits’ for all the Officers, as well as two AED’s, which I believe are going to replace old AED’s in the patrol cars. Are there any questions?"

Council President Biasiotta commented:

"I just want to thank you for your generous donation and for explaining to us how we are going to put this great equipment to use. Any questions or comments from Council or the Administration?"

Ms. Stager commented:

"Yes. I want to say thank you for your kind and generous donation -- and I know this past summer my husband was a recipient of AED Trained Personnel. So, thank you very, very much."

Mr. Toth responded, "Our pleasure. Thank you!"

Council President Biasiotta continued:

"Thank you, Mr. Toth. We appreciate the partnership University Hospitals always had with Seven Hills. We look forward to that continued partnership. Thank you, again."

*Seven Hills Police Chief Michael Salloum and Seven Hills Police Lieutenant Dan Kappus accepted the AED equipment presentation on behalf of the City from the EMS Institute at University Hospitals Parma Medical Center.*

Kathy Patterson, Seven Hills Historical Society made the following comments:

"Hello. Thank you for this opportunity. I want to say why the Seven Hills Historical Society is so important. To summarize, our Mission Statement is “To Preserve the Unique Heritage of Seven Hills, Ohio’. In eight years, Seven Hills will be one hundred years old.”
Ms. Patterson continued:

“The Village incorporated in January of 1927. The birthplace of the City still stands but for how long is a question. The Seven Hills Historical Society has a grant writer, but needs ideas and energy. That means we also need members excited about the real history of the City. History provides us with our identity whether we are looking for a personal or familial identity or a community or a country identity. If we get the history wrong, then we have a wrong sense of self.”

Ms. Patterson continued:

“When I moved here, I read that Seven Hills was a quiet, little bedroom community. Also, I read this in a newspaper from the 1950’s. People believed it. Those who originally established Seven Hills as a Village were not interested in a bedroom community. They were athletic, vividly dynamic, hardworking, culturally tolerant, educationally focused and entirely pro-democracy, politically-active people. I can these men, all in a huddle in the Froehlich front room, planning the hows and the whereveres of the City. It is a shame that we of this generation are letting this house that we call the ‘Duff House’ fall into ruin.”

Ms. Patterson continued:

“Please bring the Seven Hills Historical Society your ideas. Bring your energy, your time. Bring your measly $5.00 per year membership dues and join us in preserving the real History of the City of Seven Hills. Seven Hills is not a bedroom Cleveland. That is not our identity. Wednesday we are having an Open House from Noon to until 2:00 p.m. Applications will be available there. Applications are here in this packet, if you want one. Thank you very much and that’s my speech.”

Council President Biasiotta responded:

“Thank you, Mrs. Patterson. Thank you to all your fellow volunteers of the Seven Hills Historical Society for making a difference in the Community. If you want to pass out……do you have a handful? Let’s pass out those applications. I will have it scanned and put it on the Social Media and let everyone know what a great job you and your friends are doing.”

Ms. Patterson approached the dais with the Historical Society membership applications.

Council President Biasiotta stated:

“Okay, I will take that. That’s fine -- I will take it and have it scanned on the City Social Media to let everyone know what a great job you and your friends are doing.”

Ms. Stager commented:

“Mr. President -- we can also put the form on the website so people can download it as well……the membership application.”
Clerk of Council Sekerak stated that she had a letter to read into the record from Grace A. Pauloski of East Dartmoor Avenue, addressed to City Council, dated November 2, 2018, as follows:

"Dear Council Members:

I'm writing to let you know what a wonderful Police Officer we have in Monica Schuld. On May 8th of this year I was assaulted by one of my neighbors. When Monica answered the call, I can't tell you how relieved I was to be able to explain things to another woman! She calmed me down with her soft-spoken, caring manner and has remained vigilant while waiting to go to court. She stopped to see how 'her victim' was doing after the incident.

Respectfully,
Grace Pauloski

P.S. Officer Mike (sorry I don't know his last name) -- but he was a blessing from God also!"

Ms. Sekerak added that she would make sure the Police Department received a copy of Grace Pauloski’s hand-written note.

Council President Biasiotta remarked, “Thank you, Carol. What refreshing news! Great job to our Officers.”

COUNCIL OPEN TO THE AUDIENCE

Tom Jaros, 224 Crescent Ridge Drive, made the following comments:

“Talking about the sewers on John Glenn -- I am recalling the public meeting that was held here at which we heard, Joe Andres, a John Glenn resident and former Planning Commissioner say that Winchester Drive has an undersized pipe just down the stream of John Glenn. I don’t know if anybody has explored that? Definitely be a good idea to explore it. You remember this whole deal started with sanitary, in the basements of the houses on John Glenn. If there is a restriction downstream with John Glenn, there is a chance you can do all the patching you’re going to do and you’re still going to wind up with sanitary in their basement.”
Mr. Jaros continued:

“So, I think we really should, at least, inspect and see if there is a decreased diameter pipe on Winchester Drive. Stewart Lovece (Former Director of Public Service and Properties) came up with some psycho-bible piping and angles and blah, blah, blah. A small pipe is a small pipe. It shouldn’t be that hard to check a diameter of pipe. Just food for thought -- whatever you guys decide to do. Thank you.”

Ms. Patterson commented:

“That whole area around John Glenn used to be quarry. It was a big, big water-filled hole. You all know that, right?”

Council President Biasiotta responded, “Well, I am aware that there was a rock quarry in the area and it ran all along the ridge.”

Ms. Patterson continued:

“Yes, well there at John Glenn, there used to be right there. And, Bonroi and Tanglewood is mentioned many, many times as a large swamp. They covered up a screen that was frame-filled back in the 1950’s. The paper is there in the historical documents. I’ve read it and then they got shuffled and this is before we got locked storage. And, thank you very much, the City of Seven Hills for giving us locked storage because we had some paper that came up missing for that. I don’t know why they did. I only know they did. I mean, who steals paper? Useless paper. Who cares that there is a stream on Bonroi and Tanglewood that got covered up in the 1950’s. I don’t live there. I don’t care, but I did read that. So, there it is, little bits of information that I read ten years ago.”

Council President Biasiotta replied, “Thank you.”

Mr. Elliott had no miscellaneous comments.

Ms. Stager:

Yes, I have a couple of comments.

First of all, we are observing Veterans Day today. Especially, I want to comment about the 100th Anniversary of Armistice Day yesterday. So, it is appropriate that we are having Veterans Day today. I just want to remember our current and former Veterans and especially Captain Brian Brannigan of the United States Marine Corps, which I carried his bracelet in memory at the United States Marine Corps Marathon on October 28, 2018. I got this medal. So, this is for Brian, and for all of our Veterans -- past, present and future.

Thank you very much.

Mr. Greenwald:

I would also like to acknowledge Veterans Days and thank all who have served this Country. Particularly this week, I thank my grandfather, Henry Davis, who was a Navy Veteran in World War II. He passed away four years ago this week. Thank you all.

Mr. Wrobel:

Yes, I would like to also acknowledge all the Veterans, which includes my dad, who also passed away several years ago. He was a Combat Veteran of World War II, European Theater.
City of Seven Hills
Record of Minutes of
COUNCIL MEETING HELD November 12, 2018

Council President Biasiotta:

I would like to thank all the residents of Seven Hills, once again, for showing faith in this Council with their votes on Election Day. Also, for all the votes that propelled Seven Hills to be amongst the highest in the County in eligible voter turnout once again. Time and again, the community has shown that they want to have an active, first-hand involvement in the say of the City. I think that is great, and it is healthy when the people are active in the City of Seven Hills and coming forward and speaking with their votes.

I do want to thank all the Veterans. We do have a large number. I hope to have some sort of Veteran Appreciation Event in 2019. In 2017, there was a three-community event where we honored the Korean War Veterans. I was very privileged to represent the City of Seven Hills there. It is often called the Forgotten War, and we have many, many residents that participated in the Korean Conflict......Korean War. A special thanks goes out, as always, to my father Staff Sergeant Anthony Biasiotta, who is my hero every day, not just on Veterans Day.

Councilwoman Kelly and I had the opportunity to represent the City at the Seven Hills Hall of Fame Induction Ceremony this past weekend. I briefly want to speak to that. It was an incredibly uplifting and positive event. All the inductees came to the podium and spoke of the importance that Seven Hills had on their upbringing, success and great achievements.

Three-Time Superbowl participant, John Banaszak, was there and he was inducted in the ceremony. He said everywhere he goes around the country, how proudly he proclaims that he is from Seven Hills. He does not say he is from Cleveland, Ohio -- he says he is from Seven Hills, Ohio, on Rangeview Avenue, where the best football games of his life were ever played against the kids that came across the border from Brooklyn Heights. It was very uplifting.

So, with that said, I quickly want to thank those that put the event together:

Council President Biasiotta (continued):

Without the support of all those I just mentioned in their volunteering efforts over the years, we wouldn’t have such a wonderful event to showcase the accomplishments of the residents of Seven Hills in such a positive and uplifting manner.

I hope to see even more volunteerism in the future as things are continuing to look up with so many good things happening.

With that, Happy Veterans Day once again.

Ms. Kelly added:

“While we are talking briefly about the Hall of Fame, I want to congratulate our Law Director, Richard Pignatiello. He was one of the recipients of being inducted into the Hall of Fame. So, Congratulations!”

Director of Law Pignatiello thanked Councilwoman Kelly.
