A Message from Mayor Dell’Aquila -

Thanks to our elected officials, this has been an exciting year for Seven Hills, focused on professional management, a truly balanced budget, infrastructure repairs, and restoration of the city’s reputation.

In the coming weeks you will see a number of streets being resurfaced, to include all the very worst condition streets as rated by the city engineer. The Hemlock Creek sanitary sewer project is expected to be completed by the fall. County Public Works will be helping with sewer maintenance and catch basin repairs. And take a look at the improvements to Calvin Park and some of the other city parks—There’s more to come!

All of this, and more, stems from the cooperative work of your elected officials and city hall staff. The maxim to treat others in the same way you would expect to be treated applies to politics as well as our private lives. City officials may not always agree but we have been able to set aside those differences for the betterment of the community.

It goes without saying that our values are important. If we don’t share the same values as those around us, the way we want to be treated may not be the way others want to be treated, or the way they will treat us. So it really all comes down to all of us sharing a good, positive, value system, including honesty, respect for others, loyalty, responsibility for personal actions, and empathy.

Unfortunately, a certain hardness of heart and attitude now permeates politics at every level in our nation and even for some here in Seven Hills. Despite that, we are grateful to see a new generation stepping up with fresh aspirations and ideas and they become invested in our city, its quality of life, amenities and traditions, the years ahead are filled with promise.

As my final mayoral term winds down, I’m proud to have been involved in so many improvements in Seven Hills, stabilizing Recreation Center finances, improving city infrastructure, obtaining millions in grant dollars, balancing the budget, attracting new investment, protecting the city’s bond rating, upgrading city services, to name just a few. As I reported earlier in the year, the state of the city is strong and the spirit of our residents is positive. The future of Seven Hills is bright.

This will be my final Home Days as Mayor. I hope to have the opportunity to speak with as many of you as possible over that weekend. As before and as always, thank you for allowing me to serve as our Mayor for the past two terms.

The City of Seven Hills will be performing pavement rehabilitation and resurfacing on eleven (11) streets this year!

The following asphalt streets will be rehabilitated by paving contractor Chagrin Valley Paving, Inc. who was awarded the contract for the lowest and best bid:
- McCreary Road (from East Sprague Road to East Pleasant Valley Road)
- Evelyn Avenue (from Broadview Road to Elmhurst Drive)
- Mapleview Drive (from Broadview Road to Calvin Park Parking Lot)

The following concrete streets will be rehabilitated by paving contractor Specialized Construction, Inc. who was awarded the contract for the lowest and best bid:
- Plumwood Lane
- East Hill Circle
- West 9th Street
- East Hillsdale Avenue (from Northview Drive to East Dartmoor Avenue)
- Lombardo Center (Joint Repairs Only)
- Maple Hill Drive
- Parkview Drive
- Rollingview Drive

Friendly reminders:
- Pavement work is anticipated to begin in mid-to-late July (not necessarily in the order shown above...).
- Both Contractors will be hand-delivering construction notices to front doors of all affected property owners at least one (1) week before pavement resurfacing operations begin.
- The Contractors will not be blocking any driveways for long periods of time. You will have access to your driveway at all times.
- Please drive extra careful and slowly during the construction activities occurring on your street.
- Please be mindful of the operating construction equipment and the parked construction equipment.
- Please keep children, pets and yourselves away from construction equipment that will be parked overnight and over the weekends.
- If you have any questions and/or concerns about the Project, feel free to e-mail Daniel J. Collins, P.E., City Engineer at dcollins@rlba.com or by phone to (216) 525-6258.

Thank you for your patience and cooperation during the rehabilitation and resurfacing operations of these streets. Please stay safe.

** Construction for the Mapleview Drive & East Hill Circle Water Main Replacement Project is nearing completion! **

Water mains on both Mapleview Drive and East Hills Circle have both been replaced.
Temporary water connections should now have been converted back to the permanent water lateral service connections to each of the homes.
Restoration work is continuing along both streets in preparation for the complete street resurfacing of Mapleview Drive and East Hill Circle in mid-to-late Summer 2019.
Attention affected property owners / residents on Hillside Drive, Cherry Lane, Nemet Drive, Twilight Drive, Shady Lane, North Mary Lane, Mary Lane, South Mary Lane, Seven Hills Boulevard, and Oak Lane:

Pavement resurfacing of the streets has been postponed from the original anticipated May, 2019 date. Pavement resurfacing is now anticipated to commence in mid-to late July, 2019 with continued project restoration to occur soon after the paving is completed.

The entire Project is scheduled to be fully completed by the end of August, 2019.

Please note as a reminder, final assessment costs will be determined after the entire construction is 100% completed and accepted by the City.

Friendly reminders:
- Please drive extra careful and slowly during the construction activities occurring on your street.
- Please be mindful of the operating construction equipment and the parked construction equipment.
- Please keep children, pets and yourselves away from construction equipment that will be parked overnight and over the weekends.

For ongoing and continual Project updates, feel free to visit the City’s website at: http://www.sevenhillsohio.org/en-US/Engineering.aspx

If you have any questions and/or concerns about the Project, feel free to e-mail Daniel J. Collins, P.E., City Engineer at dcollins@rlba.com or by phone to (216) 525-6258.

Thank you for your continued utmost patience, cooperation and understanding during the construction of this Project. Please stay safe.

**Robo-Call Information Update Needed**

The City of Seven Hills is updating our Resident Robo-Call Service Notification System.

If you would like to receive telephone calls from the City of Seven Hills regarding City News & Notifications (trash delays, leaf pickup, snow parking bans, etc...) we need your contact information updated.

Please contact Sue at 216.525.6225 soyster@sevenhillsohio.org to have your info added to the list!

Any and all information collected will be kept strictly confidential and will not be sold, rented, loaned, or otherwise disclosed.
The Seven Hills Police Department has partnered with the Cuyahoga County Sheriff’s Department in the prescription (Rx) drug drop off initiative. Proper disposal of expired prescriptions reduces the likelihood of abuse by family, friends, or visitors. Further, disposal of prescription drugs in an RX Drop Box reduces the environmental impact on citizen drinking water and natural waterways, by providing citizens with an alternative to flushing drugs down the toilet. The Rx Drug Drop box is located in the Seven Hills Police Department’s lobby.
Important information from YOUR Fire Department:

According to the National Fire Protection Association, there are an average of 385,500 residential fires every year. While taking out a Homeowners insurance policy with fire insurance coverage will help protect you from the costs incurred from a house fire, following these fire safety tips can help prevent a fire from starting in your home and the loss of many memories.

**Fire Safety Tip #1: Don’t Smoke Indoors**

Smoking indoors can cause more damage than you may realize. Over 18,000 fires are started by smoking materials annually, causing $476 million of property damage. While it’s best not to smoke indoors or on exterior balconies or porches, if you do, be sure to completely extinguish any cigarettes and never smoke when there’s a chance you might fall asleep. If you smoke outside, make sure the smoking material is properly disposed. Fires in our city have been caused by careless placement into flower pots; potting soil is combustible.

**Fire Safety Tip #2: Keep Your Dryer Clean**

It may surprise you but completing common household chores like cleaning the lint trap in your dryer can help prevent fires. In 2010-2018, U.S. fire departments responded to almost 18,000 home structure fires involving clothes dryers or washing machines each year. In addition to keeping your washer and dryer clean, it’s best to only run them when you will be home to supervise, that way if a fire starts, you can take immediate action. Dryer lint is very combustible, make sure you clean the lint after every use.

**Fire Safety Tip #3: Practice Summer Grill Safety**

Over 10,000 house fires a year are attributed to grills and fire pits. Whether it’s because people use their grill too close to their home or they use the wrong fire starter to ignite the charcoal grill, proper summer grill safety can help prevent fires from starting. This includes everything from grill placement, making sure your grill is clean, safely disposing of charcoal briquettes, and never leaving your grill on while unattended.

**Fire Safety Tip #4: Don’t Leave Candles Unattended**

Candles can create a relaxing ambiance for your home, but unattended candles can be incredibly dangerous. In fact, from 2011-2018, over 9,600 fires a year were started by candles, with $324 million in property damage. Never leave candles in a room unattended, especially if you have children or pets, and always make sure to clear the area around a candle of anything that could possibly ignite, including decorations, curtains, papers, etc.

**Fire Safety Tip # 5: Practice Firework Safety**

Fireworks and sparklers account for roughly 15,000 fires per year, including house fires, vehicle fires, and outdoor fires. To avoid injury and potential fires, it’s important to practice firework safety, including only using legal fireworks, having a designated area for setting off fireworks, only lighting off one firework at a time, only letting responsible adults use sparklers and fireworks, and properly disposing of firework remnants after they’ve been used. Those sparklers can cause massive burns and fires when exposed to the elements.

Lastly, residents can be proud the City added a second NEW Braun Super Chief rescue squad to our fleet. This represents a substantial investment of over $500,000 to replace the old squads that were constantly in the shop with costly repairs. Just like your own vehicle, normal driving and wear and tear takes its toll over the years. We hope all of our residents continue to have a safe and enjoyable summer season. Hope to see everyone at the Seven Hills Home days event this year. Call us if you need us, but remember to dial 911 or 216-524-3911.
SERVICE DEPARTMENT

Summer is now in full swing. We should be due an extra beautiful summer after enduring a spring noted by record setting rainfall. I once again look forward to writing this newsletter and providing you with updates on progress being made throughout the City.

**Progress.** Due in part to the wet spring, development on Vitalia Senior Residence at Seven Hills on Rockside Rd may continue into 2020. However, many of the largest buildings of this project are already up and can be easily viewed from the street. The City and Fairmount Properties continue to negotiate terms for the larger development. This phase largely consists of both parties signing a development agreement. This agreement would bind both parties and set forth specifics as to what will be built, when, and even how. As previously stated, being the last major parcel available for development in Seven Hills, we must ensure the project makes sense for both the City and the developer before signing such an agreement. In spite of the rumors, I’m pleased to report that there is no change to the status of Meijer replacing the old KMART. The only update is that KMART closed earlier than anticipated and continues to hold the lease. Meijer continues to work with the City in preparation for building on the site at the end of KMART’s lease or termination of those rights (whichever happens first). Most recently, Meijer has agreed to pay the City up to $200,000 to install a traffic light and update the traffic pattern to account for the new building. Also, Meijer requested and was granted two preliminary post office addresses to help facilitate progress (one for the main building and the other for convenient store / gas station).

**Partnership.** This past February, the City signed an agreement with the Cuyahoga County Public Works Division. This partnership will allow the City to take advantage of certain economies of scale that the County can offer. You can expect to see County sewer trucks and other service vehicles throughout the City over the next several months. First off, the County will be working on our catch basins (this work will be supplemental to the Seven Hills Sewer Department). This contract will enable the City to impact multiple streets at that same time.

**Pride.** City Council continues to recognize the many individuals that make Seven Hills a special place to live and work. Our efforts along with those of the Seven Hills Hall of Fame Committee’s “Resident of the Month” program have combined to recognize over 14 individuals to date.

Respectfully submitted,

Tony Biasiotta

*P.S. Come up this year’s Home Days and say hi. - July 26th 6pm - 11pm and July 27th Noon - 11pm*
Hello Seven Hills Residents:

Summer is finally here and you know what that means…..many great Community Service events in our City. Here are just some of the highlights:

**The Farmers Market** which will start for the season on Thursday, July 11th. The market is every Thursday from 4:00 pm to 7:00 pm at the corner of Hillside and Broadview Road. Come out to support your local farmers and vendors. It’s a great way to mingle with your fellow neighbors.

**The Seven Hills Home Days** will be celebrated the weekend of July 26th located behind City Hall. Fireworks are scheduled for both nights and be sure to check out the great entertainment. Elvis will be returning for an encore performance!!

**In Council news…**The Hemlock Creek Watershed Utility Project is moving along and nearing completion. With all the rain that has drenched our area, pavement re-surfacing has been delayed until mid-late July. The completion of the entire project is anticipated to be wrapped up in August 2019.

This Spring, Council voted and approved to have eleven (11) streets resurfaced and/or repaired. The streets scheduled are: Rollingview Drive, Parkview Drive, Maple Hills Drive, Lombardo Center (joint repairs only), East Hillsdale Avenue, West 5th Street, East Hill Circle and Plumwood Lane. We have also partnered with neighboring cities and the County to resurface the following streets at a fraction of the cost: McCreary Road, Evelyn Avenue and Mapleview Drive. I think we can all agree construction is not fun to drive in, but it is a necessity. Please be sure to exercise patience and safety while travelling thru all construction zones.

**In Committee News…**Recently, I was appointed as Chairperson of the Rules, Ethics and Ordinances Committee while in turn Council-at-Large, Leslie Stager will now be the Chairperson of Community Services.

As this Committee is new to me a Special Committee Meeting was held on Thursday, June 27, 2019 for organizational purposes. During that meeting, the pending legislation within that committee was divided between my Committee members, Randy Greenwald (Councilman Ward 4) and Norm Martin (Councilman Ward 2). In the upcoming newsletters I will provide legislation that was discussed and/or passed within our Committee so stay tuned.

As the Chairperson of Rules, Ethics & Ordinances is there any type of legislation that you would like to see addressed? If so, please reach out to me with any ideas or concerns you may have. I strongly encourage all residents to attend our Caucus and Council meetings which are open to the public. It’s a great way to stay informed in your City government.

Please feel free to reach out to me at any time with any questions, concerns or complaints at: slk7hills@gmail.com or at: 216-642-3722. You will not be ignored as I respond to everyone. Have a safe and enjoyable Summer! Thank you and God bless.

Stacey L. Kelly
Council President Pro Tem
Friends and Neighbors,

My stomach is just now starting to settle down from all of the stories of sewage flooding basements in the ward. I am so sorry that you had to endure this. You should know that I am continuing to advocate for the Ward, especially in the Hemlock project, to determine a cause of these issues. However whether it is basement flooding, surface pooling, or creek erosion the one huge mitigating reason for all of these issues is the inordinately wet spring; and in the final analysis that could end up being the main reason for all this. It is awfully hard to effectively engineer your way out of mother nature's way. The administration is closely mapping these water related issues to try to determine causes and a plan of action if it is within the city’s authority and ability to influence.

In the Hemlock district the best way to solve many of these problems is to complete the project. After running into gas line issues on Hillside early on, the contractor has started to complete that section. Some of this delay was at my urging as I thought it was best to delay until school was out. I was also assured by the Engineer Dan Collins just days ago that paving would be completed in the project by the end of the construction season. The larger gas line that is required to power the lift station on Mary Lane will be bored through the ground and according to him will not require a delay in paving.

Also this years city road program should commence in the next few weeks. In the Ward Parkview Dr. and Mapleview are scheduled to be completed. The Mapleview water line is mostly completed and paving should commence on schedule. To the residents on Karen. You need to know that I strongly advocated for your street to be included in this years road program. Believe it or not all the other streets in the program were judge by an independent engineering firm to be worse than Karen! I advocated that was because of the paving prep repairs that where done when Donna Rae was paved. I was unsuccessful. Know that Karen is still very high on my radar for the next road program.

Lastly, this is an election year. Look closely for candidates that have promoted progress in a collegial and professional manner. Personal sniping and lack of decorum have no business in the public service arena.

Have a great summer. Hope it is warm and sunny

The recreation center will be closed for maintenance and improvements beginning Sunday, September 1st and will re-open on Thursday, September 12th.

June 9th, 1960, Bob Feller threw out the ceremonial first pitch before a game at Calvin Park. Over the years, the Opening Day Celebrations came and went, and for a few years, even disappeared.

June 8th, 2019 - Super Joe Charboneau welcomes back the Opening Day Celebration along with upgraded fields, an updated Parks and Rec Dept., and a packed house, as over 500 participants attended the family event hosted by Seven Hills Recreation Department.

Charboneau welcomed participants and their families with a personal message after Seven Hills’ own Georgia Kostyack sang a beautiful rendition of the National Anthem.

7 games were hosted on 3 fields at Calvin Park. This event was made possible by donations of hot dogs, buns and chips from Sharon LaBuda of Howard Hanna, waters from Council Person Tony Biasiotta, as well as kids drinks and condiments courtesy of Council Representative Stacey Kelly. The Baker’s Union Local 19 was an event sponsor that helped to provide face painting for kids and a bounce house obstacle course. Since it finally stopped raining and the weather was perfect - Kona Ice was available near Calvin Field #1. Rookie Athletics owner Phil Tomberlain hosted a Pitch-Hit-Run contest and Sir CC of the Cleveland Cavs also stopped by.

SENIOR CLASS DESCRIPTIONS:

CLASSIC  Designed to increase muscle strength, range of movement and improve activities for daily living. A chair is used for seated exercises and standing support and class can be modified depending on fitness levels.

CIRCUIT  The SilverSneakers Circuit workout offers standing, low-impact choreography alternated with standing upper-body strength work with hand-held weights, elastic tubing with handles and a SilverSneakers ball. A chair is available for support. This class is suitable for nearly every fitness level and can be adapted depending on the skill of individual participants.

CARDIOFIT  Try a safe and heart-healthy aerobics class to energize your active lifestyle using low-impact movements that focus specifically on building upper-body and core strength plus cardio endurance. This is a higher intensity class than Classic and Circuit.

YOGA  Get ready to move through a complete series of seated and standing yoga poses. Chair support is offered so you can perform a variety of seated and standing postures designed to increase flexibility, balance and range of movement. Restorative breathing exercises and final relaxation will promote stress reduction and mental clarity. This class is suitable for nearly every fitness level.

SPLASH  A fun, shallow-water exercise class that uses a signature splash-board to increase movement and intensity options. Splash is suitable for all skill levels and is safe for non-swimmers. The pool provides many benefits when used for aerobic exercise and resistance training.

**Seven Hills Recreation Center Aquatic Program Descriptions**

- **Private Swimming Lessons**: 3 years old and up. Private lessons can be in the form of one-on-one or semi-private lessons (two or three swimmers with the same ability levels). These lessons must be scheduled with the Aquatics Supervisor.

- **Starfish**: 6 months to 3 years old. The STARFISH level builds readiness by emphasizing fun in the water. Parents and children will participate in several guided sessions which help children adjust to the water and learn basic water skills. Most importantly, it’s fun for parents and kids!

- **Tadpole (Pre-School #1)**: 3 to 5 years old. Group TADPOLE is for children who are being introduced to the swimming pool for the first few times. The main focus of this level is to become comfortable in the swimming pool. In order for your swimmer to progress to the next level, these tasks must be completed: Independently enters and exits the water; Kicks feet at the wall; Blows bubbles; Holds breath when face is underwater; Submerges underwater with assistance; Swims away from wall with assistance; Demonstrates comfort in pool setting; Understands Pool Safety Rules.

- **Frog (Preschool #2)**: 3 to 5 years old. Group FROG is for the beginner swimmer who is familiar with the water. Swimmers will learn the fundamentals of swimming as well as pool safety. At the completion of level FROG, the swimmer will be able to complete the following: Front float with little or no assistance; Back float with little or no assistance; Paddles on front and back with assistance; Kicks on front and back with assistance; Holds breath underwater for 3 seconds; Submerges unassisted; 5 yards assisted streamline from wall on front and back; Log rolls assisted; Independent bobs.

- **Turtle (Level #1)**: 5 years old and up. Group TURTLE is for the swimmer who has completed group FROG or can float unassisted and swim rudimentary freestyle. At the completion of level TURTLE, your swimmer will be able to complete the following: Front and back float unassisted; Freestyle and backstroke 5 yards assisted; Streamline kick on front and back unassisted 5 yards; Log rolls unassisted; Assisted rotary breathing; Assisted side-kick; 10 Independent bobs.

- **Penguin (Level #2)**: 5 years old and up. Group PENGUIN is for the swimmer who has completed group TURTLE. In Group PENGUIN, swimmers will learn to swim freestyle with rotary breathing, backstroke, and will be introduced to dolphin and breaststroke kicks. In order to advance to the next level, the following must be completed: 10-15 yards Unassisted freestyle with rotary breathing; 10-15 yards Backstroke unassisted; 10-15 yards Streamline kick on front and back; Dolphin kicks assisted; Jumps in and swims to the wall unassisted; 15 Independent bobs.

- **Sea Otter (Level #3)**: 5 years old and up. Group SEA OTTER is for swimmers ready to advance their swimming skills. In Group SEA OTTER, swimmers will enhance freestyle and backstroke, and continue to learn butterfly and breaststroke. In order to advance to the Dolphins pre-team group, the following must be completed: 25 yards Freestyle and backstroke; 25 yards Streamline kick front and back; 10 yards Unassisted streamline butterfly kick; Butterfly arms; 5 yards Unassisted breaststroke kick; 5 yards Butterfly.

- **Dolphin (Level #4 - 6)**: 5 years old and up. The DOLPHIN group is a pre-team swim group consisting of swimmers who have completed Sea Otter swim lessons. AQUA BARRE  
Aqua Barre is a fitness class that combines all the components of cardio, strength, and flexibility found in a ballet barre class with the benefits and fun of aquatic strength and conditioning. Ballet barre combines principles of Ballet, Yoga, and Pilates, and general calisthenics with a strong emphasis on posture, core strength, and proper technique. Instead of the classic barre and light dumbbells, gravity and buoyancy are both used to provide resistance and toning for the lower body, core, and upper body. No dance experience is necessary, and modifications can be provided to appeal to both beginners and experienced aquatic enthusiasts!  
Mondays: 7:45pm - 8:45pm with Katie (This Punch Card Only Good for Katie’s Class)

All Water Aerobics Classes are offered through our Punch Card System
