A HOME DAYS MESSAGE FROM
MAYOR RICHARD DELL’AQUILA

Home Days. We are planning another great Home Days for 2015. This year, our fireworks are sponsored by Saber Healthcare Group, the operators of the new Biltmore Nursing Home on Rockside Road. If timing allows, the City of Parma will have its new bus there to shuttle parking. This is the same bus we hope to contract for with Parma to start a senior bus program with part of our $50,000 University Hospitals grant.

2015 Streets Program. Even with all the financial difficulties of the past few years, we have been very active in repairing our streets. After a combined $1.7 million in 2014 street repairs, we proposed to Council another $1.3 million in 2015 repairs also funded from various sources. Only about $200,000 would come from our General Fund balance of about $4 million; and 2016 planning has already begun.

The coming Hemlock Creek sanitary sewer project will be partially offset by the $2.4 million dollar grant we recently obtained to cover about 30% of the total cost. And the approximate $868,000 grant in water department funding we just obtained will offset some of the Mapleview Drive work next year. The latter is an outgrowth of the deal negotiated a few years ago by Councilman Mike Barth that paid to repave Cherry Lane and install new water lines.

We are always seeking more grant money for these and other projects. For example we are applying for another $150,000 in block grant money, just as we obtained in 2015 that went toward Chatham and Essex resurfacing.

Deer and the ODNR. One of the most frequent complaints to City Hall concerns the deer population. Council has tried to develop a consensus as to what should be done about the deer.

The Ohio Revised Code says the State of Ohio owns all wildlife in trust for the people. I and several other local mayors have been meeting with the Ohio Department of Natural Resources (ODNR) to ask for state help in managing the damage caused by the deer they own. My preference is for non-lethal measures. Although ODNR will not directly manage the problem, they are working on a regional approach to assist cities with this problem.

The Budget Numbers. By now, you have all heard about the budget crunch the city will be facing by the end of the decade. This is primarily due to cuts in state funding that would have been covered by the failed police levy last fall.
Without those cuts from Columbus, we and the cities around us would be in much better financial shape. Even with all the budget cuts made in Seven Hills, those state funding cuts have made it difficult to balance our budgets each year. Council is now debating the best way to close this gap, whether by a property tax levy or income tax. The city’s demographics make this a harder decision, with so many residents over age 65 and on fixed incomes:

A few years ago, experts hired by the city recommended a debt restructuring that gave Seven Hills $2.3 million in debt relief from 2011 to 2014. The cost for those savings was about $1 million in 2015 to 2028. All this was reviewed by the annual state audit of city books.

Anticipating the increased payments in 2015, the roughly $1 million difference plus another $600,000 was reserved in the Bond Retirement Fund over the past 4 years. This came primarily from the General Fund and the sale of cell phone tower revenue. Other cities have also sold their cell tower revenue, or are about to do so, to cover expenses. This is partially how Seven Hills paid the 2015 debt service and balanced the 2015 General Fund.

By paying debt with money set aside in the Bond Retirement Fund, the 2015 year end General Fund is projected to be flat. This was exactly the purpose for reserving that $1.6 million in the Bond Retirement Fund, and we have saved General Fund money for projects like the 2015 street repairs.

Recreation Center. Director Jen Burger and her reduced staff are on track for another good financial year. Since I came into office, the annual General Fund subsidy there has been almost eliminated, from about $400,000 to just $45,000 in 2014.

After an extensive review by the insurance adjusters, engineers and attorneys a few years ago, the city collected insurance of around $1 million for the badly built roof. But there are still more expensive repairs due to the bad construction there.

Civility. One of my goals as mayor has been to rebuild the reputation of Seven Hills. The way we appear to the outside world is a critical factor in attracting business investment and affects practically everything we are trying to accomplish. Unfortunately, the need for civility has never been more important than now. Personal attacks, immature internet postings, and frivolous lawsuits damages the city and all our residents.

Thank You. I want to thank you and all our city employees and officials for helping to achieve the many positive results during my first term as mayor, and to especially thank the elected officials who put the city first. As we continue working to advance the city we love, let’s all take a break to celebrate what we have built here. I look forward to speaking with all of you at Home Days and sharing in the fun. Thank you also for the privilege of serving as our mayor these past few years.

--Mayor Richard Dell’Aquila

City of Seven Hills Residential Lock-Box Program

This is recommended for Senior Citizens & Disabled Residents.

The resident may be unable to open the door for EMS/Fire in the event of an emergency. We adopted a program that other cities already use, the affordable Roper Lock Box. When you or the victim dial 911, most times you or a victim can’t unlock the door or open it for EMS/Fire. Our only way of getting into the resident’s home is to break a window or the door causing hundreds of dollars in damage.

This is a great resource for a resident who is living alone, with no one close by to help them in an emergency. We will even install the Lock box at no charge for residents.

- $35 each and installed by Seven Hills Fire Department
- Keys not duplicated and will only be on securely locked fire vehicles
- Seven Hills Fire Department will keep a database and the dispatch will know who has them and their location

Calvin Park Clean-up Project

Calvin Park has long been a place where families come together to watch the boys and girls of Seven Hills play baseball. This spring the Community Services Department, with the help of several volunteers and partners, have embarked on a project to clean up the park. Some volunteers raked the leaves and picked up trash while others started the daunting process of painting the two story high concession stand. It took eight hours in total to complete the project in time to have it ready for Opening Day.

Sherwin Williams donated paint that was used to cover the concession stand.

Representatives from the 11U Seven Hills Storm Baseball team, led by Manager Dwayne Kessie, came out in full force supplying paint brushes, and miscellaneous equipment as well as several families to help paint and rake.

Among the other volunteers were Mayor Richard Dell’Aquila, Council President Michele Ernst, Councilwoman Caryl Lecznar, Community Services Director Tony Terry, Seven Hills Baseball Federation Secretary Jim Kukral as well as players from Padua Baseball and The Seven Hills Baseball Federation.
Once again City Council and the Administration are debating the options for increasing the city’s revenue. Last year Council chose to put a Police levy on the ballot without having support from all Council members. Between the internal discord in Council and the residents who actively campaigned against both city issues on the November ballot, the Police levy was soundly defeated. It is now time to decide what we, as residents, want for Seven Hills in the future.

The Administration has made great strides in reducing the operating budget in the city; however this has come at a cost of services provided, especially in the service department. Our streets are deteriorating, our parks are aging, our city buildings need maintenance and our infrastructure requires upgrades. As you all know from your own homes, maintenance does not come cheap. The City also has debt to pay off over the next seven years and while we have the resources to meet that debt, it would be at the expense of services to you, our residents. We need additional revenue for the city; the question is how we raise that revenue.

The majority of Council still feels that a property levy is the most equitable way of raising revenue, everyone pays a share and everyone reaps the benefits of the additional funds. A 4mil levy would raise the property tax of a $150,000.00 home by $183.75 per year or $15.31 per month. It would generate about 1.2 million dollars in additional revenue for the city. This would allow the city to pay off the coming debt and have additional money for capital improvements.

There are those on Council who support an income tax restructuring, increasing the income tax to 2.5% with an increase in the credit for residents who work outside of Seven Hills. This would put the burden of the increased revenues on current businesses, potential new business development and residents who live in Seven Hills and work in Seven Hills. The current proposed tax structure would cover our pending yearly debt; however it would not provide any additional funds for capital improvements. Since it would raise our income tax higher than our nearest competitor for new businesses it does have the potential to stall any new development of the RocksSide Rd corridor. It is time for you, as the residents, to speak up and let your Council Representatives know what you want for your city.
Underage Drinking Laws

What parents should know:
As a parent, you cannot give alcohol to your teen’s friends under the age of 21 under any circumstances, even in your own home, even with their parent’s permission.

You cannot knowingly allow a person under 21, other than your own child, to remain in your home or on your property while consuming or possessing alcohol.

If you break the law:
You can face a maximum sentence of six months in jail and/or a $1,000 fine.

Others can sue you if you give alcohol to anyone under 21, and they, in turn, hurt someone, hurt themselves or damage property.

Officers can take any alcohol, money, or property used in committing the offense.

Things you can do as a parent:
• Refuse to supply alcohol to children.
• Be at home when your teen has a party.
• Make sure that alcohol is not brought into your home or property by your teen’s friends.
• Talk to other parents about not providing alcohol at other events your child will be attending.
Create alcohol free opportunities and activities in your home so teens will feel welcome.

Please review Chapter 529 of the Seven Hills Codified Ordinances for applicable liquor control offenses.

Also, The Seven Hills Police Department would like to remind residents that if you are on the do not knock list and unwanted solicitors are still knocking on your door that you should notify the Police Department immediately.

General Guidelines for Recreational Fires

1) A Recreational Fire is a small (3’ X 3’) fire, using only Seasoned Dried Wood.

The Fire Code prohibits the burning of: Leaves, grass trees, debris, rubbish, Flammable liquids, any material made of or coated with rubber, plastic or leather and all petroleum based materials.

FLAMMABLE LIQUIDS SHOULD NOT BE USED TO START RECREATIONAL FIRES

**Seasoned Dried Hardwoods are the preferred burning material this does not include Pine or items such as old wooden fences**

2) Approved Container

The fire pit shall be made to contain the fire on all sides with a screen to cover the top. A steel-one piece fire pit with a fitted screen on top is considered to be an approved container. In addition, the fire pit placed on a slightly larger diameter of gravel will provide the maximum protection against the spread of fire.

3) Recreational fires shall not be conducted within 25 feet of any structure or combustible material. This includes any condition which could cause a fire to spread within 25 feet of a structure. Such as Pine Trees, pine needles, trash or any other combustibles.

4) Recreational fires shall be constantly attended until the fire is extinguished.

5) Extinguishing equipment, such as dirt, sand, water barrel, and/or garden hose shall be available for immediate utilization at the recreational fire site.

We hope this will assist you with your questions.

LEARN TO SWIM GUIDELINES

Water Wigglers: Build readiness by emphasizing fun in the water. Parents & children will participate in several guided sessions that help children learn basic water skills & adjust to the water. Most importantly, it’s fun for parents & kids!

Preschool 1: Helps children adjust safely to the water at their own pace -- Working on going under water, blowing bubbles, floating & kicking.

Preschool 2: Students will work on becoming more independent in the water -- Floating on their own, swimming on their own & much more!

Level 1: Students will work on being more comfortable in the water & learn to enjoy it safely while working on independent floating & kicking, underwater exploration, swimming pool safety & more!

Level 2: Students will work on front glides, back glides, front crawl with breathing, back crawl & much more!

Level 3: Students will work on front crawl with rhythmic breathing, back crawl, elementary backstroke & much more!

Level 4: Students will work on refining their current strokes along with learning the breaststroke & sidestroke, while building their endurance. New skills will include butterfly, turns, survival swimming & much more!

Level 5: Skills refined include front crawl, back crawl, elementary backstroke, breaststroke, side stroke, turns & endurance. New skills include surface dives, back skull, & much more!

Level 6: New skills include 500 meter continuous swim, understanding basic water rescue, personal rescue techniques, pool safety, personal fitness skills, etc..... Course choices include Fitness Swim and Personal Water Safety.

To All Seven Hills Residents,

Please contact me at my office for any questions you might have on any city service-related issues. My goal is to better inform our residents, to assist with any question and to give resolution to most problems.

Service Director John Moga (Hours: 8:00 to 4:30)
Office Number: 216-524-6224
Email address: service@sevenhillsohio.org

Any Emergencies that are City related please call (216-524-3911 Seven Hills Dispatch). They will contact Service to assist.

“Sewers Backing up in basement”

It’s the city’s responsibility to make sure the clean out “T” to the street on your sanitary and storm line is not blocked. From the city right-of-way including the inspection “T” is the homeowner’s responsibility. The biggest problem I see is residents calling a plumber to take care of the problem when they can’t find the clean out and the problem is from the “T” to the street. This can be expensive. Please call us first. This is a service that we want our residents to take advantage of and the City of Seven Hills Service Department is willing to assist.

Flooding problems in the homeowner’s back yard, unless there is a city easement, is most often the homeowner’s responsibility. There are exceptions however, if there are sewers, head walls, or depending on the homeowner’s location. Any catch basin that needs to be cleaned or is damaged please call the Service Department as soon as possible.

Mailboxes:

Now is the time to look at the condition and location of your mailbox. Anything broken, loose, or rotted needs to be replaced. Some Mailboxes are too far away from the curb. Any questions please call the Service Department.

Recommendations: Make sure you address is legible.
All boxes should be 14” from curb and 54” High
Any regulation mailbox can work
Metal pole / wooden pole acceptable

Kimble Rubbish and Recycling Company.
Please put out rubbish no earlier than 6:00 pm the day before your regular pick-up day and take cans back to your garage the same day as pick-up. This helps our City to be more eye appealing.

Suggestions: Before you put anything big out on the curb or if you need a special pick up, call Service to assist in coordinating the effort with Kimble.

To better assist our residents, Kimble is offering a rental Roll – off dumpster. They have a variety of sizes including 12, 20, 30, and 40 yard. Keep the roll-off to use for one week! It will be delivered to your home for one flat rate, subject to weight restrictions. Additional charge may apply if container is kept for more than allotted 7 days.
