Seven Hills Food Pantry

Canned-food donations came from all across Seven Hills to stock the shelves of the City’s Food Pantry.

It’s all for residents who are in a time of need. One senior resident said “If it wasn’t here I’d have no idea where to go”. Seven Hills Food Pantry serves over 30 families through its location at City Hall. Director of Senior and Community Services Tony Terry has led this year’s food drive and says “It’s the giving spirit and sense of community that defines this city. Our residents and business partners have rallied around this and helped to get this project going”.

The Food Drive for 2016 has taken off to a great start with drop locations at City Hall and the Community Recreation Center. We are now in need of paper goods such as toilet paper, paper towels, personal hygiene products (tooth paste, toothbrushes, shampoo, etc...), condiments (ketchup, mayo & salad dressings). Remember - every little thing can help someone in need!

If you would like to contribute to the efforts please contact Tony Terry at 216-525-6230 or at tterry@sevenhillsohio.org
General City of Seven Hills Information

- Please remember codified ordinance now requires trash cans shall be stored in a building or outside behind the front setback line and not visible from the street.

- Be considerate of your neighbors during snow season. Your snow must be plowed, blown, or shoveled onto your property. Not across or in the street. Maintain your sidewalks for everyone’s’ benefit. Please clear around the fire hydrant if you have one.

- Use heavy duty cords in good repair for holiday lighting. Protect the connections from the entrance of water or snow. Cords should be protected by a Ground Fault Circuit Interrupter either in the outlet or at the electrical panel.

- Building Department staff is available from 8:00 – 4:15 Mon – Fri. to answer questions or obtain permits. Applications are available online. www.sevenhillsohio.org/en-US/City-Forms.aspx. 216.524.4427

DO NOT KNOCK

The Seven Hills Police Department would like to remind residents that if you are on the do not knock list and unwanted solicitors are still knocking on your door that you should notify the Police Department immediately.

Recently, solicitors are approaching residents and asking them about their property line. The scam goes something like this: Hello Sir/Main we have been contracted by your neighbor to put up a fence in the backyard or cut down some trees and we would like you to show us your property line. The very friendly nice guy asks you to go to the backyard and point out where your property line starts, so you do. He may ask you questions such as: is anybody home or even try to solicit some family information like the name of your wife or kids in attempt to keep you talking and further gain your trust.

The nice man that is talking to you in the backyard communicates with someone else using a cell phone. When you ask who it is, he tells you it is one of his workers. The conversation into the cell phone is constant throughout your conversation. While you are in the backyard, as second person enters your house and steals your valuables. The nice man tells you that he has to go and walks with you out of your backyard and he gets into his vehicle and leaves.

You go into your house and discover that someone went through your jewelry and valuables and you were robbed. This scam happens each and every year in every community and we need your help to catch these people.

Remember, you should never let anyone into your house or backyard that you do not know. If approached by someone asking you to go in your backyard or downstairs to turn the water on, tell them no and call the police. If possible get a license plate number and description of the person. The Seven Hills Police can be reached at 216-524-3911 or in emergencies dial 911.
As the cooler weather of fall approaches, the Seven Hills Fire Department would like to offer some valuable safety tips for your family.

INSTALL SMOKE ALARMS
Test them often to make sure they work. If the detector has a regular 9 volt battery, replace the batteries at lest twice a year when you change your clock for daylight savings time. Newer detectors may have 10 year lithium batteries, but there is still the need to test and replace when necessary. Be sure to purchase a dual mode detector, one that is photo electric as well ionization. Your home will be best protected using a dual mode detector. Install one on every floor and each bedroom for extra protection.

HAVE A HOME FIRE ESCAPE PLAN
Develop a home escape plan with your family in case of a fire. Practice and have a pre-arranged meeting place somewhere outside of your home.

HOME SAFETY INSPECTION
Conduct a safety inspection of potential fire hazards in your home. Eliminate them and make every room fire safe. Keep matches and lighters out of the reach and sight of children at all times. Never use an extension cord for appliances that draw high current such as air conditioners or refrigerators. Never leave burning candles unattended.

We hope you find this information useful and thank you for the many comments regarding our articles. YOUR SEVEN HILLS FIREFIGHTERS ARE HERE FOR YOU 24/7 365 DAYS A YEAR should you need our services. THANK YOU for your past and continued support.

City of Seven Hills Residential Lock-Box Program

This is recommended for Senior Citizens & Disabled Residents.
The resident may be unable to open the door for EMS/Fire in the event of an emergency. We adopted a program that other cities already use, the affordable Roper Lock Box. When you or the victim dial 911, most times you or a victim can’t unlock the door or open it for EMS/Fire. Our only way of getting into the resident’s home is to break a window or the door causing hundreds of dollars in damage.  This is a great resource for a resident who is living alone, with no one close by to help them in an emergency.

- $35 each and installed by Seven Hills Fire Department
- Keys not duplicated and will only be on securely locked fire vehicles
- Seven Hills Fire Department will keep a database and the dispatch will know who has them and their location

Contact Tony at 216-525-6230 for more info!
Obstacles to Personal Safety:

Attitude of Complacency:

“It can’t happen to me.” • “Nothing like this happens in my neighborhood.” • “If it’s going to happen, it’s going to happen.”

A criminal attack against you or your family can take place anywhere, as can fire or other disaster. YOU CAN influence what happens to you by assuming more responsibility for your own security.

Steps to Prevention

Is your address clearly visible from the street during the day and night?
- Necessary for proper response of police and fire personnel.

Remove hiding places:
- Shrubs and/or bushes cut to the lower edge of windows
- Trees cut 6 to 7 feet above ground

Is the property well maintained?
- Appears that you care what happens here

Lighting: Interior and Exterior
- Continuous -vs- motion sensor
- Out of reach from the ground
- Timers while away

Get rid of “Hidden” keys
- Better left with a trusted neighbor
- Sealed envelope

Secured openings (windows & doors)
- Able to open only a specific amount
- Equipped with quality locks
- Doors locked while you are home

Alarms
- Alarm signs clearly visible

Pets: BEWARE OF DOG
- Even if you don’t have one

Corded phone
- Cordless won’t work in a power outage

Vary daily routines

Know where family members are at all times.

Know your neighbors.
- Develop a rapport with them and offer to keep an eye on each other’s property.
- Retrieve each others mail
- Allow them to use your driveway while you’re away

If you observe suspicious activity, report it immediately to your local police.
Detail as much information as possible.
Be the best witness possible.
Don’t take action on your own.

Members of the Seven Hills Police Department continually strive to make the protection of our citizens and their property a top priority. To further this cause, we rely on the people of this great community to be vigilant to the activities within their neighborhoods. Obviously, this includes keeping an eye out for your neighbors and taking the necessary steps to secure your belongings, i.e., the appropriate use of lighting, locking your car doors / homes, and notifying the Police Department in the event that you observe suspicious activity.

Other tips:

Make sure all personal and home insurance policies are up-to-date and you have adequate coverage.

Be alert to changes within your own neighborhood.

Meet and know your neighbors.

Report suspicious activity IMMEDIATELY!!

# SERVICE DEPARTMENT INFO

## WATER MAIN BREAKS

Should you notice bubbling or steaming water along the roadway or curb area, please call the Cleveland Water Department at 216-664-3060 to report the break. As a result if you experience brown water, run your cold water in the lowest level of your home until it runs clear. Do not run your hot water until the water is clear. Please understand the City is not allowed to repair CWD lines.

## STREET LIGHT OUTAGES

The Illuminating Company has several ways to report a street light outage. You may call their automated outage reporting line at 1-888-544-4877 or access their website at www.firstenergycorp.com. They will need the closest address, the pole number located on a small metal plate, and what the problem is; damaged pole, broken fixture, light flickering or out. Most repairs take several days at a minimum. If you cannot resolve the issue per an above method, contact Susan in the Service Department at 216-525-6225.

## SERVICE DIRECTOR

Stewart Lovece PE, PS  
Office: 216-525-6224  
E-Mail: service@sevenhillsohio.org

## RUBBISH PICKUP

Rubbish should be placed on the tree lawn by 7:00AM on the scheduled day of collection and shall not be placed earlier then 4:00PM on the day prior to the scheduled date of collection.

## EMERGENCIES AFTER HOURS:

Contact Seven Hills Dispatch at 216-524-3911. Dispatch will contact the Service Department to handle City related issues such as snow removal, sewers backing up, flooding, downed trees and dead animals.

## SNOW REMOVAL

One truck is assigned in every ward for snow removal. However, additional trucks may be used depending on snowfall. Main streets and hills are a priority followed by the side streets and subdivisions.

## MAILBOXES

The Service Department will make repairs to mailboxes that have been directly hit by the snowplows. Typically, damage is a result of the snow hitting the mailbox and not direct contact with the plow. Please check the condition of your mailbox in preparation for winter. Anything loose, broken or rotted needs to be replaced.

## SIMPLE RECYCLING

Residents can recycle unwanted clothing, shoes and household items with free, curbside pickup on your regular recycling collection day. Use the specialized green Simple Recycling collection bags provided by calling 866-835-5068. You can also contact the Service Department for additional bags and information regarding this program.

## LEAF PICKUP

Curbside leaf pickup will start in October and continue through December weather permitting. Ditch lined streets will be done first with subdivisions to follow. Leaf pickup signs will be placed one week in advance. Leaves should be raked to the tree lawn. Do not mix yard waste with leaves, such as branches, weeds and grass clippings.

## LATEX PAINT DISPOSAL

Remove the lid and let the paint air dry for small amounts or use a drying agent such as cat litter, sawdust, plaster of Paris, oil-dry or "waste paint hardeners" found at home improvement centers. Once thoroughly dry place in a trash bag and put out with your weekly rubbish.
Summer 2016 has drawn to a close and with it the City of Seven Hills Farmers’ Market. Thank you to everyone who participated; from our sponsor, Taleris Credit Union, Inc., to all our vendors and customers! The Market opened on Thursday, June 30th and was very successful. The Market culminated with the Fall Festival on October 2, 2016. Our Thursdays were all sunny with the exception of three rainy afternoons. We appreciate all our residents and neighbors who supported the Market and shopped rain (holding their umbrellas) or shine.

The Market, located at the corner of Hillside Road and Broadview Road adjacent to Fire Station No. 1, provided a place for people to gather, listen to music, visit our vendors and purchase amazing produce and artisan products. Weekly entertainment was Music by Gwendolyn. On two occasions, The Barlow’s performed and we also had an afternoon with singer/songwriter Georgia, playing some of her original pieces.

Our 2016 vendors included: An Occasional Flavor, Cecilia’s Sweet Delights, Cossel Farms, DeCaro Produce, Esther 212, Gyro George Food Truck, Harvest Moon Bakery, Irene Dever’s Pierogis, Kernels by Chrissie, Luther’s Farm, Mediterra Bakehouse, Nine Spoons, Papou’s Pastries, R. Foote Family Farm, Scentsational Soap, The Honeyest One, The Little Green Oasis, ThreeSweet Sisters, and Quarter Acre Farm. There was a free weekly raffle with items donated by our vendors, as well as an information table with recipes and nutrition information.

We anticipate the 2017 Market will begin in mid-June. We are always looking for additional vendors. If you know of some good people we need to invite, please contact Kathy kholland@sevenhillsohio.org or Jen jburger@sevenhillsohio.org
