A Message from Mayor Biasiotta –

Happy New Year! It’s hard to believe that we are here in 2020. I want to personally take a moment to thank you for the overwhelming support shown for me this past November at the election polls. I am honored to serve the residents of Seven Hills and will not let you down!

As ever, I plan to dive right into business. Right out of the gate, we are working on the 2020 budget. This has been the key fiscal tool for us in recent years – starting with reasonable goals and actively managing the budget throughout the year have been key factors in our improved financial condition. After several years of significant street and sewer improvements, I hope to dedicate more of this year’s budget to our city’s parks. Once we plot out short term goals during the 2020 budget process, we will turn our attention to developing a five-year plan to address our capital needs. For example, our recreation center is 16 years old and, just like our homes, will need investment going forward; our service garage is need of repair, and many other long-term projects approach.

Throughout my first term, you can expect more “Partnerships and Progress” updates. With that being said, we have already applied for several grants. The first being the Cuyahoga County Supplemental Grant, in hopes of putting a gazebo for the community to enjoy at the corner of Hillside and Broadview Roads. At the state level, we submitted requests for three projects for 2020 Capital – the first being a total rebuild of North Park, the second being new restrooms and a concession stand for Calvin Park, followed by our third request of playground equipment for the Cricket Park Area. These are competitive requests that most cities chase, and we won’t know the outcome until later in the year. Having leaders and staff properly in place will improve our chances of developing even more partnerships and winning grants in the future.

The Inaugural Ceremony on January 4th was a truly historic evening – having so many dignitaries in the audience of almost 300 guests was truly an honor. Amongst the dignitaries who graciously spoke were Cuyahoga County Executive, Armond Budish, and State Senator, Matt Dolan. They both spoke to the importance of the continued partnership with Seven Hills in 2020 and beyond.

I was fortunate to be surrounded by family and supportive residents that evening. Having my father, Anthony C. Biasiotta, administer the oath of office is a moment in my life for which I will be forever grateful. Family is everything to me. I am the person I am today because of the constant love, support, and guidance given to me by my parents.

I look forward to a very productive beginning of 2020 and will continue to engage with the most important partners of all – the residents of Seven Hills.

Respectfully,
Mayor Tony Biasiotta

### VOLUNTEERS NEEDED!

**Earth Day Clean Up**

Contact Joe Bass at 216.524.6262 for more info or to sign-up!

Lunch & T-shirt to be provided!
**SNOW REMOVAL**
Throughout the winter season, it may become very difficult for students who walk to and from school to navigate through high accumulation of snow. If you are a homeowner within close proximity to Hillside Middle School, you are asked to help mitigate this hazard by doing your best to have your sidewalks cleared.

Some children will resort to walking down one of Seven Hills very busy streets because the sidewalks aren’t cleared. This is very dangerous. For this reason we are asking all residents to do what they can to ensure the safety of our children.

Please be aware that C.O. 521.06 requires you to remove snow and ice from your side walks and C.O. 311.01 prohibits you from placing snow or ice onto a street or alley or obstructing or covering a fire hydrant. However, it is legal to operate powered snow removal equipment 24 hours a day, 7 days a week. The entire ordinances can be viewed at www.sevenhillsohio.org.

**THEFTS FROM VEHICLES**
Thefts from unlocked vehicles continue to occur throughout the city. In each one of these cases, the vehicles entered were all unlocked and the thefts were committed overnight. The police department encourages all residents to keep all vehicles that are parked in your driveway locked and remove all valuables (for example, purses, wallets, laptops, GPS units, etc.) each night. Many of these thefts can be prevented by simply removing your valuables and locking your vehicles.

Remember, the people committing these crimes are simply walking through our neighborhoods and going through your vehicles. The police department wants to remind all residents to report any people acting in a suspicious manner immediately by calling our dispatch center at 216-524-3911. If you see anyone committing a criminal act (i.e. going through an unoccupied car in a driveway or on the street) immediately call 911 before taking any other action. Through cooperation and vigilance, we can continue to keep our neighborhoods safe.

**PARKING HOURS**
No person, operator or owner shall park or permit a vehicle to remain on the roadway portion of any street or highway in the City between the hours of 3:00 A.M. and 6:00 A.M. C.O. 351.11(a) can be viewed at www.sevenhillsohio.org.

The Seven Hills Police Department has partnered with the Cuyahoga County Sheriff’s Department in the prescription (Rx) drug drop off initiative. Proper disposal of expired prescriptions reduces the likelihood of abuse by family, friends, or visitors.

Further, disposal of prescription drugs in an RX Drop Box reduces the environmental impact on citizen drinking water and natural waterways, by providing citizens with an alternative to flushing drugs down the toilet. The Rx Drug Drop box is located in the Seven Hills Police Department’s lobby.
March 8th, means it’s also a good time to review your Daylight Savings Time, which in 2020 begins Sunday, accordingly. The consequences of fatigue can be serious, so plan accordingly. Daylight Savings Time, which in 2020 begins Sunday, March 8th, means it’s also a good time to review your spring safety checklist.

Smoke Alarms -
Three out of every five home fire deaths result from fires in homes with no smoke alarms, according to the National Fire Protection Association. Test your smoke alarms every month and replace the battery at least once a year. If the alarm makes a "chirping" sound, replace the battery immediately.
Smoke alarms should be in every bedroom and in the common areas on each floor of a home. Mount them at least 10 feet from the stove to reduce false alarms, less than 12 inches from the ceiling and away from windows, doors and ducts.
Smoke alarms can be interconnected wirelessly. That means, when one sounds, they all sound. A Consumer Product Safety Commission survey found this is the best way to notify everyone in a home if there is a fire. Be sure to purchase smoke alarms with the label of a reputable testing agency, like Underwriters Laboratories (UL).

Carbon Monoxide Detectors -
Anything that burns fuel can potentially become a source of carbon monoxide, an invisible, odorless gas that can kill. CO alarms should be installed in a central location outside each bedroom and on every level of the home. The safety tips for CO detectors mirror those of smoke alarms: change the batteries, test them and interconnect them, if possible. Also, make sure vents for your gas appliances (fireplace, dryer, stove and furnace) are free and clear of snow or debris.

Spring Forward and Review Your Safety Checklist!

Family Emergency Plan -
The National Safety Council recommends every family have an emergency plan in place in the event of a natural disaster or other catastrophic event. Spring is a great time to review that plan with family members. Have a home and car emergency kit. The Federal Emergency Management Agency says an emergency kit should include one gallon of water per day for each person, at least a three-day supply of food, flashlight and batteries, first aid kit, filter mask, plastic sheeting and duct tape, and medicines. Visit the FEMA website for a complete list. The emergency plan also should include: A communications plan to outline how your family members will contact one another and where to meet if it’s safe to go outside. A shelter-in-place plan if outside air is contaminated; FEMA recommends sealing windows, doors and air vents with plastic sheeting. A get-away plan including various routes and destinations in different directions.
Also, make sure your first aid kit is updated. Get rid of unwanted or expired medicines.
NSC recommends you take unwanted or expired medicines to a prescription drop box or take-back event near you. NSC offers free Stericycle Seal & Send envelopes, so you can send your unwanted medication to be safely destroyed.

Getting the Urge to Clean?
With the warm weather comes a desire to shine and polish your home. But when warning labels are ignored or chemicals fall into the wrong hands, disaster can occur. Learn what you can do to keep you family safe around poisons in the home.

Window Safety -
With warmer temperatures arriving, it’s important to practice window safety – especially in homes with young children. Always keep an eye on the young ones, they are quick to move.
** Hemlock Creek Watershed Utility Improvement Project – Construction is nearing completion! **

Attention affected property owners / residents on Hillside Drive, Cherry Lane, Nemet Drive, Twilight Drive, Shady Lane, North Mary Lane, Mary Lane, South Mary Lane, Seven Hills Boulevard, and Oak Lane:

Most punch list items have been addressed. The Contractor will be returning in the Spring to ensure that restoration (minor grade touch-up and grass germination) is fully completed.

As of January 9th, the only pending item for the Project was the sanitary lift station on North Mary Lane becoming fully operational.

Final lift station work was scheduled by the Contractor for commencement on or near January 15th, contingent upon the weather.

All affected property owners / residents will be notified in the near future as to when the new sanitary sewer can be connected to. It is anticipated that March, 2020 will be the approximate date when property owners / residents can begin connecting. Please be aware that this date is ONLY approximate at this time as there is a formal process involved regarding the assessment procedures that are governed by state law.

Please note, as a reminder, final assessment costs will be determined after the entire construction is 100% completed and accepted by the City.

In the near future, the City will be providing a helpful “SANITARY SEWER - SERVICE LINE INSTALLATION INFORMATION” packet to all property owners / residents for the purpose of guiding and assisting you through the sewer connection process. This packet will also be made available on-line on the City’s website Engineering Department section.

** Friendly reminders:**

For ongoing and continual Project updates, feel free to visit the City’s website at: http://www.sevenhillsohio.org/en-US/Engineering.aspx.

Thank you for your continued utmost patience, cooperation and understanding during the construction of this Project.

*** 2019 City of Seven Hills Road Program ***

Remaining punch list items for the following three (3) asphalt streets will be addressed in the Spring when weather permits:

1. McCreary Road (from East Sprague Road to East Pleasant Valley Road)
2. Evelyn Avenue (from Broadview Road to Elmhurst Drive)
3. Mapleview Drive (from Broadview Road to Calvin Park Parking Lot)

*** Skyview Drive Storm Sewer Outfall Improvement ***

The Engineering Department has investigated the deteriorated/failed storm sewer outfall located East of the Skyview Drive cul-de-sac.

A redesign of the storm sewer outfall is necessary to prevent further deterioration of the storm sewer and to prevent further erosion of the outfall channel.

- Final design is complete. Bid booklets are soon forthcoming.
- Public bidding is anticipated between February and April 2020.
- Construction is anticipated for Winter/Spring 2020, weather contingent.
- Construction is anticipated to last up to 60 days.

If you have any questions and/or concerns about any of the above mentioned Projects, feel free to e-mail Daniel J. Collins, P.E., City Engineer at dcollins@rlba.com or, call (216) 525-6258.

Have a safe, happy, and healthy New Year Seven Hills residents!
Emergencies After Hours - Contact Seven Hills Dispatch at 216-524-3911. Dispatch will contact the appropriate department to handle the City related issues such as sewers backing up, flooding, downed trees, and dead animals. **For Medical Emergencies, Dial 9-1-1.**

**Mailboxes**
The Service Department will make repairs to mailboxes that have been directly hit by the snowplows. Typically, damage is a result of the snow hitting the mailbox and not direct contact with the plow. Please check the condition of your mailbox in preparation for snowfall. Anything loose, broken or rotted mailboxes needs to be replaced.

**Snow Removal**
One truck is assigned in every ward for snow removal. However, additional trucks may be used depending on the amount of snowfall. Main streets and hills are a priority followed by the side streets and subdivisions. The City typically plows and salts only the intersections, hills and curves as part of our salt sensibility program which has been in effect for years.

**Rubbish Pickup**
Rubbish should be placed on the tree lawn by 7:00AM on the scheduled day of collection and shall not be placed earlier then 4:00PM on the day prior to the scheduled date of collection.

**Water Main Breaks**
Should you notice bubbling or streaming water along the roadway or tree lawn, please call the Cleveland Water Department at 216-664-3060 to report the break.

**Street Light Outages**
To report a street light outage, broken fixture or light flickering please call The Illuminating Company at 1-888-544-4877 or the Service Department at 216-525-6225.

**Document Shred Day**
The City will have document shredding behind City Hall on April 21st from 1PM to 7PM and August 18th from 1PM to 7PM. Shred-it will be doing on site shredding.

Hello Seven Hills Residents:

As we approach Spring, I am hoping it is not as rainy as 2019 was. But with another new year upon us, I am hopeful that great things will happen within our City.

On December 10, 2019, our Council Members and new Mayor, Anthony Biasiotta were sworn in. I am very humbled and proud to say that my fellow Councilmen elected me as their Council President. With that being said, I plan to work together with Council, the Mayor and his Administration to move our City forward with the same sense of purpose, integrity and transparency as we did the previous two years.

My first act as Council President was to enlist the help of my fellow Councilmen under a program called “Council Christmas Give-Back”. This seasonal campaign is geared towards residents that are alone, whether it be a resident that is widowed, no family and home-bound. We wanted to do something to make the holidays brighter for those who are alone or in need. The thought behind this was to help make the holidays more manageable and enjoyable. It is a proven fact that many people, especially those who are alone, experience depression and anxiety throughout the holiday season. This program is completely voluntary, and differs greatly from what our Community Services Director, Tony Terry does. Mr. Terry reaches out to families in need. This program is specifically for our senior individuals. I am proud to report that all Council members participated and the feedback has been wonderful.

As we move forward in 2020, Council will be focused on the budget and will begin to look at ways to enhance our parks while continuing to partner with the Mayor on our economic development projects. Our Administration has applied for several Grants to help with various projects that can potentially help our City to finance areas of needed improvement.

As I begin my second term as your Council at Large Representative, I am very thankful and humbled by the show of support and confidence that our residents placed in me. I truly love what I do and I am grateful to represent the residents of our great City.

If you have any questions, concerns or complaints, please contact me at: 216-642-3722 or e-mail at: skl7hills@gmail.com. If I miss your call, I WILL return it. Be sure to leave your name and phone number. Thank you again and God bless.

Happy 2020 to all Seven Hills residents! May God bless you with health, happiness and prosperity. I’d like to take this opportunity to introduce myself; my name is John Kulju and I live in Ward 4 on the south side of Pleasant Valley Road. I have been a Seven Hills resident for a little over 4 years now. Although I’ve been a resident for a short time, I’ve felt very welcomed by everybody I’ve spoken with.

I have been in the construction industry for over 40 years. I’m a drywall finisher/painter by trade and I do some light carpentry as well. I’ve been a Union member for over 20 years with Local 505 in Strongsville, Ohio. I’ve been in the business rep for Local 505 for the past 5 years and I will use my expertise in construction as an advantage to Seven Hills on the upcoming construction projects.

Seven Hills is very fortunate to have 2 very nice construction projects slated for 2020 - The Meijer Store and Rockside Crossings of Seven Hills. I will be very involved with these projects. I’m on 3 committees; Public Works, Police, and Community Services. I am the Chairman of Public Works. I am looking forward to and am thankful for the opportunity to help push Seven Hills in a positive direction.

If you’d like to contact me, my cell number is 440-346-2081 or my email address is jkulju@sevenhillsohio.org.

Thank you.

Regards, John Kulju
