At the dawn of this New Year, Seven Hills grieves the loss of one of its most prominent residents, former Mayor George Chandick. Apart from his service as Mayor and Council President, George was also a member of the Greater Cleveland Sports Hall of Fame and the Seven Hills Hall of Fame.

He had an outstanding 18-year post-college career as a player and player-coach in the Greater Cleveland Basketball League, and spent a lifetime of devotion and service to athletics in the Greater Cleveland area. George began his career as a teacher of elementary physical education for 38 years in the Cleveland Public School System. He has lengthy list of achievements and honors as coach, official, team sponsor and participant, embracing a variety of sports. George devoted his life to the City of Seven Hills and to his beloved family.

He is part of the family tradition that is the foundation of the city he loved. Just like many of our residents, George Chandick has deep roots here over several generations with a heartfelt commitment to our community that is rarely duplicated elsewhere. That tradition and the work of elected officials like George has allowed Seven Hills to flourish as an ideal location to live, raise a family, and to retire.

Our central location in Cuyahoga County provides our city easy access to all the resources and amenities of our region. As a result, Seven Hills is actively participating in the re-vitalization of northeast Ohio, with a resurgence of new construction and new families moving here.

The wide variety of affordable and high-end housing here has made our city an inviting location for a diversity of residents interested in sharing in all that our city offers. We are now looking forward to even more development along Rockside Road this year.

Seven Hills continues to focus on increasing health and wellness for residents and non-residents alike, with an emphasis on our 50,000 square foot Recreation Center and Natatorium. With year round special events and an assortment of classes and programs, the Seven Hills Recreation Center has become a centralized focus for the region. The recent collaboration with University Hospitals, which now operates a physical therapy facility within the Recreation Center, has increased the city’s ability to provide an even wider variety of quality benefits.

**Senior Shuttle Bus Service** is now operational with transportation available, Wednesday, Thursday and Friday of each week from 8:30 A.M. until 2:00 P.M. For a $5 suggested donation (cash or check made out to the Smallwood Senior Center and handed to the driver at pick-up) the bus will provide round-trip service to locations in Parma and Seven Hills, including doctors, dentists, banks, grocery stores, hair salons, the Seven Hills Recreation Center and so forth. Please call Brenda at (440) 885-8156 at least two weeks in advance to schedule your shuttle bus service.

Thanks to the groundwork laid over the years by leaders like George Chandick, our city services are unparalleled and are delivered at a reasonable cost considering that only a small percentage of our regular property taxes are paid to the city. Our Police Department has regularly earned a number of “Safe City” awards as determined by FBI statistics. The Seven Hills Fire Department has been highly praised in a state performance audit as a model for communities of our size. Our summer Farmers' Market at Hillside and Broadview Roads continues to grow in size and popularity.

We are truly proud of our city and thankful for the leadership of elected officials like George Chandick that helped to create all these developments. On behalf of the City of Seven Hills, we say thank you to George and his family. May He Rest In Peace.

--Mayor Richard Dell'Aquila

Donations are being accepted in honor of George Chandick made to the Seven Hills Hall of Fame at 7777 Summitview Drive Seven Hills OH 44131

Members of the Seven Hills Police Department continually strive to make the protection of our citizens and their property a top priority. To further this cause, we rely on the people of this great community to be vigilant to the activities within their neighborhoods. Obviously, this includes keeping an eye out for your neighbors and taking necessary steps to secure your belongings, i.e., the appropriate use of lighting, locking your car doors / homes, and notifying the Police Department in the event that you observe suspicious activity.

Other tips:

- Make sure all personal and home insurance policies are up-to-date and you have adequate coverage.
- Be alert to changes within your own neighborhood.
- Meet and know your neighbors.
- Report suspicious activity IMMEDIATELY!!
Fire Safety & Preparedness Get Out Alive and Survive

By the Ohio Department of Commerce Division of State Fire Marshal

Fire is a hot, fast and deadly element. Having an emergency plan and practicing fire drills are the best defenses in the event of a fire.

If you are caught in a fire situation, practice and remember these fire safety tips so you can “Get Out Alive and Survive.”

- Feel the door. If the door is hot, don’t open it. Go to a window and call for help. If the doorknob is cool, open cautiously.
- Get out of the building before phoning for help.
- Don’t look for other people or pets or try to gather up items. Knock on doors as you leave. Yell “FIRE” as you leave. Do not stop or stray from your exit path as you leave.
- Crawl low to the floor. This smoke can make it impossible to see. Chemicals from smoke can be deadly in seconds. Heat and gases rise. The freshest air is closest to the floor.
- Close the door behind you. You may keep the fire from spreading and you might protect your possessions from fire and smoke damage.

If you can’t get out, get someone’s attention. Call the fire department and give them your location. Close and seal your door with clothes or towels to try to keep the smoke out. Hang a sheet from the window, but keep the window closed if smoke is coming in from a lower level. Yell and scream for help.

Before a Fire

- Install smoke detectors on every level of your home and inside each bedroom.
- Test smoke detectors monthly.
- Change the batteries in your smoke detectors twice a year (for example, every December and every June). Mark your calendar to remind yourself.

Make a Fire Escape Plan and Safety Checklist!

CERT Stands for Community emergency Response Team. The membership in Quad City CERT consists of residents from Seven Hills, Independence, Valley View and Brooklyn Heights however we do welcome those from other communities. We are trained and operate under direct supervision of our Fire Departments. We provide continual training for our volunteers and assist during community functions. Mailboxes
The Service Department will make repairs to mailboxes that have been directly hit by the snowplows. Typically, damage is a result of the snow hitting the mailbox and not direct contact with the plow. Please check the condition of your mailbox in preparation for winter. Anything loose, broken or rotted mailboxes needs to be replaced.

Snow Removal
One truck is assigned in every ward for snow removal. However, additional trucks may be used depending on the amount of snowfall. Main streets and hills are a priority followed by the side streets and subdivisions. The City typically plows and salts only the intersections, hills and curves as part of our salt sensibility program which has been in effect for years.
