

City of Seven Hills Community Newsletter Fall 2020 - Winter 2021

A Message from Mayor Tony Biasiotta –

Dear residents, I'm going to dedicate this quarterly newsletter to Issue 41. Although the City cannot ask for your "yes" or "no" vote either way, whatever your decision, it is important to know why Council and the Administration put this issue before you this fall.

What to know:

We have an Expiring Levy - Bond Issue for the Recreation Center
 We have a Proposed New Levy (Issue #41) for Parks & Recreation.
 Impact on Seven Hills Residents Property Taxes – Net Reduction in Tax.

Impact on Seven Hills Residents Property Taxes – Net Reduction in Tax

If the levy before the electors on November 3 were approved, a tax for debt service on the bonds issued to provide funds for the construction of the Recreation Center back in 2001 that expires at the end of this year would, in effect, be substituted with a slightly less costly levy for parks and recreation. Please don't be confused by the term "additional tax" that is on the ballot language. In fact (as illustrated in the chart below), if passed this tax will be lower than what you are currently paying on the expiring issue.

Per \$100,000 valuation	<u>Expiring Recreation Center Bond Levy</u>	<u>Issue 41 - Parks & Recreation Levy</u>	<u>% Reduction</u>
Millage	1.65	1.40	
Annual Tax	\$57.75	\$49.00	(15.2%)
Less Homestead Exemption (if applicable)	12.5%	0%	
Annual Tax (Less Homestead Exemption)	\$50.53	\$49.00	(3.0%)

The proceeds of the proposed levy will be set aside for expenses related to our municipal parks and the operation, maintenance, and improvements to our Recreation Center. **Why is this important?**

Our Parks: While we have refocused in recent years on some needed park maintenance, the fact is that they are not all they can be. One reason is that parks and recreation always come last when funding is discussed. In Seven Hills (and virtually all communities), our safety forces come first (rightfully so), and then comes our Service Department (Roads, Sewers, Snow removal etc...), leaving very little for projects related to our parks. We have identified a number of improvements that could be funded by Issue 41. They can be found on the City Website at <http://www.sevenhillsohio.org/en-US/City-Parks.aspx>. Throughout my time as a leader in our community, I have heard from many residents that are not members of the recreation center but utilize our parks. The expanded use of funds to include our parks will allow all of our residents to benefit from improved recreation opportunities that are not membership based.

Continued From Front Cover....

Our Community Recreation Center: While the expiring bond levy covered the recreation center construction, no mechanism was put in place to address legacy costs. The need for a recreation center operating levy was first identified 20 years ago. However, it has now become critical as many capital improvements are on the horizon as the facility approaches 20 years of age, and equipment approaches the end of its useful life.

Without the proceeds from Issue 41, the expenses noted would have to come out of our General Fund, effectively decreasing necessary funding for other City operations and projects.

One last important note: Issue 41 is for a specific dollar amount. When property values go up, the millage will automatically be lowered. Therefore, the amount collected by the City will not go up over time.

This is our last newsletter of 2020. I encourage you all to vote. I wish you all a Happy Thanksgiving and a Merry Christmas. I look forward to a better, healthier 2021 for everyone.

Stay Safe,

Mayor Tony Biasiotta

POLICE - EMERGENCY 9-1-1

When You Go Away

Make sure light bulbs will last while away. Change them if necessary.

Make arrangements to have your mail / newspapers collected.

Leave contact information with a neighbor.

Unplug all unnecessary appliances such as televisions, stereos, computers.

Mow your lawn just before leaving. Make arrangements to have it mowed during extended absence.

In the winter, make arrangements to have someone shovel sidewalks if it snows. At a minimum, have a neighbor walk from the street to your door several times. **Maintain lived-in appearance**

If you use an answering machine, turn off the ringer on the phone. If you don't have an answering machine, unplug or turn off ringers on all phones. No RING, RING, RING

Leave a radio on within the residence and don't take action on your own.

Steps to Prevention

Is your address clearly visible from the street during the day and night?
Necessary for proper response of police and fire personnel.

Remove hiding places:
Shrubs and/or bushes cut to the lower edge of windows
Trees cut 6 to 7 feet above ground

Is the property well maintained?
Appears that you care what happens here

Lighting: Interior and Exterior
Continuous -vs- motion sensor
Out of reach from the ground
Timers while away

Cordless won't work in a power outage

Vary daily routines

Know where family members are at all times.

Know your neighbors. Develop a rapport with them and offer to keep an eye on each other's property.
Retrieve each others mail
Allow them to use your driveway while you're away

If you observe suspicious activity, **report it immediately** to your local police.

Detail as much information as possible.

Be the best witness possible & don't take action on your own

Obstacles to Personal Safety

Attitude of Complacency

"It can't happen to me." • "Nothing like this happens in my neighborhood." • "If it's going to happen, it's going to happen."

A criminal attack against you or your family can take place anywhere, as can fire or other disaster.

YOU CAN influence what happens to you by assuming more responsibility for your own security.

FIRE - EMERGENCY 9-1-1

NON-EMERGENCY: 216.524.3321

Radios: The fire department has taken delivery of new portable radios that were acquired through the Assistance to Firefighters Grant (AFG) program. Through this federal grant, which was sponsored by the Parma Fire Department, and with the matching portion of the AFG being picked up by Cuyahoga County, we took delivery of approximately \$150,000 in communication equipment at no cost to the city. This includes 25 brand new Harris Portable Radios, chargers, and microphones. These radios are an incredible upgrade from the portable radios we were currently using. Lt. Bob Perko III deserves recognition for putting in a lot of time and effort to help make this grant happen.

Training: Through the generosity of the Northeast Ohio Regional Sewer District (NEORS) we have had the use of several houses in the Hemlock Creek area throughout 2020. These houses have been slated for demolition but were loaned out to the Fire and Police Departments for training prior to demo. These houses provided our crews with the unique ability to practice real-world firefighting techniques inside a residential structure. Those techniques include hose line advancement, search and rescue, mayday situations, and other communication techniques. The opportunity to train in homes does not come around very often so we will be taking advantage of it throughout the course of this program. If the weather permits we will be in that area training anytime a house is available to us.

BUILDING DEPARTMENT

Seven Hills Building Department

Rental Property Registration

The purpose of the **Rental Property Registration Ordinance Section 1143.40** is to promote safe and sanitary conditions of properties in Seven Hills. Annually a Rental Registration is to be submitted to the Building Department on the form on the building department page of the city website at the bottom of the page for the purpose of updating your tenants and property maintenance requirements. It is important that property owner's let the city know each time a you house a new tenant. The Rental Fee of \$50 is paid annually and we prefer to handle those beginning with the New Year each January. Once your rental fee is paid our housing inspector does an exterior minimum maintenance inspection when the weather allows driveway surfaces to be viewed and peeling paint repaired. These inspections generally take place in the spring and summer months.

Vacant Property Registration – 1144

The City of Seven Hills requires any vacant or abandoned property be registered with the city and the property secured with doors and windows in good condition. The annual fee for registering a vacant property is \$200 and must be paid within 30 days of the property becoming vacant. The forms can be found on the Building Department page of the city website at the bottom of the page.

In addition, the Building Department gets frequently asked questions relating to **property maintenance issues** and Courtesy Notices that are sent out due to a complaint. The **1143.04 Ordinance Section** relates to **Exterior Minimum Maintenance** requirements. As always we ask that you maintain your buildings and structures in a manner becoming to the neighborhood, specifically we ask that you keep your accessory buildings maintained, fences and steps and railings painted to best preserve the appearance and keep windows and crumbling stone or brick repaired. We ask that you not keep household items out in the yard such as rugs or household furnishings or plastic materials not even under plastic tarps. Appliances, automobiles and trucks out of use or dilapidated shall not be stored or exposed visible from public or private property causing a blighting factor. Keep landscaping trimmed and maintained to proper heights and not obstructing sidewalks.

As the weather begins to change please be aware of the **Snow Fence Ordinance** requirements **Section 521.07** and **Section 997.04**. To look into the entire snow fence Ordinance please go the following link on the Seven Hills website. ENGINEERING DEPARTMENT

Hemlock Creek Watershed Utility Improvement Project **REMINDER: The new sanitary sewer main is available for connecting to!**

Attention affected property owners / residents on **Hillside Drive, Cherry Lane, Nemet Drive, Twilight Drive, Shady Lane, North Mary Lane, Mary Lane, South Mary Lane, Seven Hills Boulevard, and Oak Lane:**

As you are likely aware, many residents have already connected to the new sanitary sewer and have had their septic systems properly abandoned.

As a reminder, the information packet (“*SANITARY SEWER - SERVICE LINE INSTALLATION INFORMATION*”) provided at the February 29th meeting is available online at <http://www.sevenhillsohio.org/en-US/Hemlock-Creek.aspx>. Since this packet provides permit requirements and details, you are encouraged to let your Contractor know that the information packets are available online.

All property owners / residents should have received by U.S. Mail a City of Seven Hills “Public Sanitary Sewer Availability” letter dated April 10, 2020.

At this time, your City-registered Contractor can apply for the required City Building Permit.

All property owners should have been notified via U.S. Mail by the Cuyahoga County Board of Health with the official connection notice. This letter is considered your official order from the Board to connect to the sanitary sewer and properly abandon your septic tank as per Ohio Administrative Code Section 3701-29-06(I) under the authority vested in Ohio Revised Code Sections 3709.21 and 3718.10.

Please note, final assessment costs are currently being calculated and finalized. Final assessment costs will be available in the near future.

Friendly reminders:

For ongoing and continual Project updates, feel free to visit the City’s website at: <http://www.sevenhillsohio.org/en-US/Engineering.aspx>.

Please be mindful of neighboring properties who may be having construction work performed for connecting to the new sanitary sewer.

Various construction equipment may be operating in the nearby vicinity.

Use common sense to ensure that children (and adults) keep away from all construction equipment whether it is operating or not.

As always, thank you for your continued utmost patience, cooperation and understanding. We are here to help if you have any questions.

***** East Sprague Road Resurfacing Project (County ID No. 1241) *****

The East Sprague Road Resurfacing Project is in collaboration and partnerships with the Cuyahoga County Department of Public Works, through its County Road Operations Resurfacing Program, the City of Broadview Heights and the City of Seven Hills. Cuyahoga County is providing 80% of project cost, while the Cities of Seven Hills and Broadview Heights are each contributing 10% of the project cost. Additional information is as follows:

The resurfacing Project is now completed with a final site walk-thru with the Contractor, the City of Broadview Heights, and the City of Seven Hills that occurred on September 8, 2020.

***** Donna Rae Drive (near Alla Drive) Drainage Improvements *****

The Engineering Department solicited for bids to help improve drainage issues along Donna Rae Drive near Alla Drive. The improvements involve installing 2 double catch basins along with replacing/upgrading approximately 300 L.F. of concrete curb.

- The lowest & best bid was awarded to Set In Stone Contracting by the Finance Committee on July 21, 2020 in the amount of not to exceed \$41,622.00
- Construction is anticipated to commence in late-September to early-October 2020 and should be completed within a 2-week period, weather contingent.

ENGINEERING DEPARTMENT

***** Broadview Road Traffic Signal (for new Meijer Project, former K-Mart site) *****

Be aware of a new traffic light installation near 7701 Broadview Road in late Winter / early Spring 2021!

The City of Seven Hills through the Engineering Department, will be publicly advertised for bids for the proposed traffic signal warranted from the new Meijer retail project currently under construction.

- The lowest & best bid was awarded to Signal Service Company by City Council, per Ord. No. 60-2020 on July 28, 2020 in the amount of not to exceed \$114,392.34. Please note, this Project, in its entirety, is being funded by Meijer Stores Limited Partnership per the Development Agreement of July 3, 2019 between the City of Seven Hills and Meijer Stores Limited Partnership. The City of Seven Hills will be administering the Project the Project during construction.
- The Pre-Construction Meeting for the Project was held on August 20, 2020.
- Construction is anticipated to commence in early-to-mid October 2020 with final completion no later than March 2021.

PLEASE NOTE: For a 3 week period before the traffic light is fully functioning and is operational, the travelling public will be made aware via required road signage, along Broadview Road both Northbound and Southbound, that a new traffic signal will soon be in operation.

***** Skyview Drive Storm Sewer Outfall Improvement *****

The Engineering Department has investigated the deteriorated/failed storm sewer outfall located East of the Skyview Drive cul-de-sac.

A redesign of the storm sewer outfall is necessary to prevent further deterioration of the storm sewer and to prevent further erosion of the outfall channel.

- The lowest & best bid was awarded to HSH Construction & Excavating by City Council, per Ord. No. 68-2020 on July 28, 2020 in the amount of not to exceed \$97,314.80. Construction is anticipated to commence in late-September to early October 2020
Construction is anticipated to last up to 60 days.

***** Broadview Road (near East Pleasant Valley Road) 400 L.F. East Curb Lane Resurfacing *****

Beginning at East Pleasant Valley Road and heading South, a 400 L.F. section of pavement (East lane against the curb) along Broadview Road is getting rehabilitated and resurfaced. This is due to the pavement's deteriorated conditions that are causing safety concerns to the travelling public while causing further problems for the City's plow trucks during Winter.

Resurfacing efforts are anticipated to commence in October 2020.

If you have any questions and/or concerns about any of the above mentioned Projects, feel free to e-mail Daniel J. Collins, P.E., City Engineer at dcollins@rlba.com or, call (216) 525-6258.

Have a safe and wonderful Fall and Winter! As always, be well and stay well City of Seven Hills!

SERVICE DEPARTMENT

SERVICE DEPARTMENT - Jack Johnson – Service Director

PH: 216-525-6225 / jjohnson@sevenhillsohio.org

Emergencies After Hours - Contact Seven Hills Dispatch at 216-524-3911. Dispatch will contact the appropriate department to handle the City related issues such as sewers backing up, flooding, downed trees, and dead animals. **For Medical Emergencies, Dial 9 -1-1.**

City Call List

Call the Service Department at 216-525-6225 if you would like to be added to the City information phone call list.

Leaf Pickup

Curbside leaf pickup will start in November and Continue through December weather permitting.

Ditch lined streets will be done first with subdivisions to follow. Leaf pickup signs will be placed one week in advance. **Leaves should be raked no more than 6' from the street or curb.**

Do not add yard waste such as branches, weeds and grass clippings to your leaves. These items clog the vacuum tubes and cause unnecessary delays in the pickup process. Do not rake leaves into the street, by mail boxes, poles or fire hydrants.

LEAVES WILL NOT BE PICKED UP IF GRASS CLIPPINGS, STICKS, BRANCHES, ETC. ARE MIXED IN WITH THE LEAVES.

Snow Removal

Main streets and hills are a priority followed by the side streets and subdivisions. The City typically plows and salts the intersections, hills and curves to minimize the salt costs.

Street Light Outages

To report a street light outage, broken fixture or light flickering please call The Illuminating Company at 1-888-544-4877 or the Service Department at 216-525-6225

Mailboxes

The Service Department will make repairs to mailboxes that have been directly hit by the snowplows. Typically, damage is a result of the snow hitting the mailbox and not direct contact with the plow. Please check the condition of your mailbox in preparation for winter. Anything loose, broken or rotted needs to be replaced.

Water Main Breaks

Should you notice bubbling or streaming water along the roadway or curb area please call the Cleveland Water Department CWD at 216-664-3060 to report the break. If you experience brown water, Run your cold water in the lowest level of your home until it runs clear. Do not run your hot water until the water is clear. Please understand the City is not allowed to repair CWD lines.

Simple Recycling

Residents can recycle unwanted clothing, shoes and household items with free, curbside pickup on your regular recycling collection day. Simple Recycling collection bags are provided by calling 866-835-5068. You can also contact the Service Department at 216-525-6225 for additional bags and information.

Holiday Light Collection

Burned out strings of lights, power strips and power cords will be collected December 1st - January 18th. Barrels for collection will be placed behind City Hall by the back entrance. Place items loose in the barrel. No plastic bags or boxes.

Hello Ward 3ers -

Goodness here we are heading into another season and the pandemic is still cramping everyone's style. Tony Terry deserves much praise for continuing to try to have citywide social events while respecting covid-19 restrictions. I sure hope the Fall Fest / Chili Cook Off is not affected. I was really bummed to see Home Days cancelled. Working some of the venues as I have over the years; I know that it has become a regional event. I thought the Stay at Home Days Parade around the city would be bittersweet but I must admit, it was really a lot of fun and I would like to see it happen again in the future.

It is gratifying that the Biasiotta administration is taking the bull by the horns and aggressively pursuing flooding related issues in the public domain with the Water Management Task Force. Ward 3 will see a lot of these capital improvements. Including restoring the natural flood plain of Hemlock Creek at Donna Rae and Forrest Overlook, improving storm water flow in the Cresthill - Hickory Lane area, adding 2 new double (sized) catch basins on Alla Dr to help prevent the flow onto Donna Rae, and updating the Cheryl Ann - Hemlock Creek culvert. In addition expect to see Cuyahoga County Sewer trucks in ward 3 this fall. We contracted with the County to bolster our storm and sanitary sewer cleaning ability.

As it is the fall season that also means it is election time. There are 3 Seven Hills City wide issues on the ballot. All 3 were passed unanimously by Council for inclusion on the ballot. Issue 41 is the 1.4 mil Parks and Recreation Levy. The current 1.65 mil bond used for the construction of the Recreation Center expires at the end of this year(which means a reduction in taxes year over year). The Rec Center, after a very shaky start, has turned into a real city asset. Under the enlightened leadership of Jen Burger, it consistently runs in or close to break-even (unheard of in area rec centers). The new levy will allow necessary maintenance to be performed on the Rec Center without having to dip into the General Fund. Additionally, the issue 41 will dedicated money for long overdue Parks improvements. (If passed these funds can only be used for Parks and Recreation expenses).

Issue 42 will allow a restaurant with drive up capability to be put on the very small lot (less than 2 acres) in front of the Vatalia Senior Living complex on Rockside Rd. The developers have been unable to find an interested commercial office tenant for approx. 2 years because of the lot size. Currently Raising Cain's has an LOI with the land owner.

Issue 43 will allow Dairy Queen to relocate to the vacant Ruby Tuesday sight. DQ has been a great business partner in the city since the early 1960's. They have outgrown their current location and in fact on a hot August night the traffic back up onto Broadview Rd is a hazard. Their brand new DQ Grill and Chill will be a state-of-the-art facility.

That's it, have a great fall. See you around the neighborhood.

Tom Snitzky

Councilman Ward 3

City of Seven Hills, Ohio

Hello Seven Hills Residents:

Happy Fall! As the leaves start to change, let's hope it is a sign that the remaining quarter of our year will change as well....for the better.

On November 3, 2020, Election Day will be in full swing. Listed below are ballot issues that our residents will be voting on. The below text was provided by the Board of Elections so this is how it will likely appear on the ballot:

ISSUE 41:

An additional tax for the benefit of the City of Seven Hills for the purpose of parks and recreation at a rate not exceeding 1.4 mills for each one dollar of valuation, which amounts to 14 cents for each one hundred dollars of valuation, for a continuing period of time, commencing in 2020, first due in calendar year 2021.

ISSUE 42:

Shall Article XIV, Section 7 of the Charter of the City of Seven Hills be amended to permit free-standing fast food with drive-through service on PP#'s 551-19-025, 551-19-026, and 551-12-027 in the Rockside Road Development District, located south of Rockside Road and east of Crossview Road?

ISSUE 43:

Shall Section 976.03(b) of the Zoning Code of the City of Seven Hills be amended to include fast food as a permitted use in the Broadview Road Development District, Parcel 2, which is located on Broadview Road, South of Hillside Road?

ISSUE 73:

Shall the Parma City School District be authorized to do the following:

(1) Issue bonds for the purpose of constructing, furnishing and equipping new school buildings and facilities for grades 6-12 on two campuses and otherwise constructing, renovating, remodeling, adding to, furnishing, equipping and improving school district buildings and facilities, including improvements to the existing Parma Senior High School, and clearing, improving and equipping their sites in the principal amount of \$271,000,000, to be repaid annually over a maximum period of 37 years, and levy a property tax outside the ten-mill limitation, estimated by the County Fiscal Officer to average over the bond repayment period 6.1 mills for each one dollar of tax valuation, which amounts to 61 cents for each one hundred dollars of tax valuation, to pay the annual debt charges on the bonds, and to pay debt charges on any notes issued in anticipation of those bonds?

(2) Levy an additional property tax to provide funds for the acquisition, construction, enlargement, renovation, and financing of general permanent improvements at a rate not exceeding 0.4 mill for each one dollar of tax valuation, which amounts to 4 cents for each one hundred dollars of tax valuation, for a continuing period of time?

While we continue to be affected by COVID, the Fall Ward Meetings are unfortunately cancelled. I urge all residents to reach out to their Council representatives with any questions you may have regarding the upcoming ballot issues. The most important thing is everyone exercises their right to vote.

As always, if you have any questions, concerns or complaints, please contact me at: 216-642-3722 or e-mail at: slk7hills@gmail.com. If I miss your call, I **WILL** return it. Be sure to leave your name and phone number. Thank you again and God bless.

Growing Our Community's Tax Base – Part 2

How Pulling Weeds Can Help Lower Your Taxes

Broken Windows and Economic Development

Do you Want to Help Contain or Possibly Lower Your Property Taxes? Then read this...

Growing Our Community's Tax Base – Part 1

What if you could make one investment in your community that simultaneously helped grow home values, generated more sales for local businesses, and attracted new jobs and employees? What if that investment also increased civic engagement, encouraged neighbors to get to know each other, and improved public health at the same time? Such an investment exists, and it's called **community amenities**. Community amenities include **public parks as well as health and wellness recreation centers**.

Wilson and Kelling's Broken Windows Theory (1982) explores how environmental disorder can impact crime levels and people's perceptions of an environment. Disorder has been shown to induce crime and lead average citizens to withdraw, causing neighborhoods to decay and quality of life to decline (Keizer et al., 2008; O'Brien, 2015). The positive appearance of your home shows a more inviting social image. Studies suggest that well-maintained vegetation on your property can act as a territorial marker or a cue that the space is cared for, thus discouraging deviance and crime (Kuo et al., 1998; Troy et al., 2016). Together, these findings suggest well-kept vegetation can make a positive impact on both perceived and actual safety if it is well designed and maintained. Ultimately, these efforts improve home values and enhance the community's tax base.

The City of Seven Hills has a property maintenance code and ordinance that promote the well-being of our neighborhoods and help maintain and grow our community's tax base. The Seven Hills tax base ensures quality fire/EMS and police services for you and your family in the time of need; quality road repair during all seasons of the year; senior services; recreation; and a host of other needed services. Your "slice" of the tax "pie" to help pay for these services can get smaller, but only if we all help the pie (the tax base) get bigger.

Studies showing the positive impact of parks on property value date back all the way to the 19th century. A recent survey in Area Development magazine found that 75% of corporate executives rated quality of life features like parks and open space as important when choosing a location for their business. Quality-of-life factors are most important to firms that prioritize talent attraction and retention. When Amazon went looking for their second headquarters, their basis for picking a site was no different than most businesses:

"We want to invest in a community where our employees will enjoy living, recreational opportunities, educational opportunities, and an overall high quality of life. Tell us what is unique about your community." [Amazon HQ2 RFP]

Increased property values result when homes are near well-maintained parks, which in turn enhances the value of the local tax base. Besides promoting health and wellness, better amenities and parks equal better economic development. **Improved property value support equals more revenues and lower overall taxes for all of us long term.**

How do we make the tax base bigger? You can help by keeping your home in good repair. Homes in good repair mean that you take the effort to keep good landscaping; keep your trash cans behind the front of the home; remove unlicensed and inoperable motor vehicles from the driveway; and keep the home painted and the "broken windows" repaired. **In other words, keeping your property "neat and tidy."** Thank you for your efforts in helping Seven Hills to be a great place to live, to raise a family, and to grow old.

Do you know of a home and property in Ward 2 that is exceptionally "NEAT and TIDY?" I will be glad to recognize some of the owners in the next edition of our city's newsletter. Complete the form below:

Please follow the guidelines put in place by the Ohio Department of Health found at www.coronavirus.ohio.gov

In February the 2020 Seven Hills Farmers Market planning was underway. In March, the coronavirus pandemic put everything on hold and there was uncertainty as to whether the market would be able to open at all. When farmers markets were designated as essential, planning turned in a new direction; numerous virtual meetings and discussions; best practice options; and creating, then adopting, new policies and procedures on how to keep our vendors, customers and staff safe during the COVID pandemic.

As spring advanced into summer, in conjunction with the health department and under CDC guidelines, the Seven Hills Farmers Market designed a way to operate safely (including a vendor pre-order option for pick-up at the market) while upholding our vision to provide access to locally grown produce and artisan products for our residents and neighbors.

The 2020 Seven Hills Farmers Market season is now completed and what a great season it was! Thank you to all who participated; for your support, kindness, patience and most of all for your flexibility, adopting to our re-worked market space during this challenging time. The market could not exist without continued community support and the support of our sponsors, ensuring that our farmers' market was a safe, healthy, and inclusive space for everyone.

May you stay well and have the merriest of upcoming holidays. We are all in this together.

Happy, Healthy, Homegrown; the Seven Hills Farmers Market, growing community by inspiring healthy, sustainable, abundant living!

VII HILLS HALL OF FAME

The Seven Hills Hall of Fame is honored to announce "Suede" Stephen Whitney Baum, George Sipl, Alexander Pogrebinsky, and Barbara Stanczak as our new inductees into the Seven Hills Hall of Fame, housed at the Seven Hills Recreation Center. They will be added to our impressive past recipients. Our Induction Ceremony is on November 14th from 2:00 - 5:00pm, with very limited seating due to these unprecedented times. Our ceremony will be on YouTube (a link will be provided after the Ceremony) and aired on Cox Cable Channel 45 at a later date. These four Individuals have achieved an impressive amount in their lifetimes and in their fields of endeavor. I encourage you to read about them on our website at <https://sevenhillshof.wixsite.com/sevenhills>. We have talented residents in Seven Hills!

**"Suede"

Alexander Pogrebinsky

George Sipl

The Seven Hills Hall of Fame would like to congratulate our first recipient of The George Chandick Scholarship, John Niezgoda. John will be receiving a check for five-hundred dollars. Congratulations John!

Due to the restrictions our Future Hall of Famers will not be making an appearance at our Induction Ceremony- we look forward to reinstating the program at a future time.

Although Seven Hills Hall of Fame is not politically affiliated we would like to thank our Seven Hills Mayor and Council for their recognition of our Seven Hills Hall of Fame Resident of the Month. Resident of the Month recognizes a Resident who has gone above and beyond in Community service and/or in another area. If you would like to nominate a Resident please email alaina316@yahoo.com.

Mental Health Services Available through Community

As the end of a very trying year approaches, mental health awareness continues to be top priority for the City of Seven Hills. We realize that many may be anxious about beginning the new school year or heading into the holiday season in this time of uncertainty and we would like to offer mental health services to those in need.

The City of Seven Hills would like to introduce our new Mental Health Liaison Services to all community members at no cost. Jackie Corrigan, Clinical Mental Health CT, is able to provide a variety of services in the Seven Hills Recreation Center or virtually. Community members may request support directly or on behalf of an individual who may be struggling with identified or suspected mental health needs. Services are voluntary and do require consent in most cases. Services are available in-person or via live video conferencing and include individual sessions for purposes of screening, guidance, resources, intervention, support, crisis intervention, collaboration with outside professionals, coordination of services, linkage and/or referrals.

Please feel free to contact Ms. Corrigan at (440) 720-4541 or via email at CorriganJackie21@gmail.com.

Learn-to-Swim Level Descriptions

- **Starfish:** 6 months to 3 years old. The STARFISH level builds readiness by emphasizing fun in the water. Parents and children will participate in several guided sessions which help children adjust to the water and learn basic water skills. Most importantly, it's fun for parents and kids!
- **Tadpole (Pre-School #1):** Group TADPOLE is for children who are being introduced to the swimming pool for the first few times. The main focus of this level is to become comfortable in the swimming pool. In order for your swimmer to progress to the next level, these tasks must be completed: Independently enters and exits the water; Kicks feet at the wall; Blows bubbles; Holds breath when face is underwater; Submerges underwater with assistance; Swims away from wall with assistance; Demonstrates comfort in pool setting; Understands Pool Safety Rules.
- **Frog (Preschool #2):** Group FROG is for the beginner swimmer who is familiar with the water. Swimmers will learn the fundamentals of swimming as well as pool safety. At the completion of level FROG, the swimmer will be able to complete the following: Front float with little or no assistance; Back float with little or no assistance; Paddles on front and back with assistance; Kicks on front and back with assistance; Holds breath underwater for 3 seconds; Submerges unassisted; 5 yards assisted streamline from wall on front and back; Log rolls assisted; Independent bobs.
- **Stingray (Preschool #3):** Group STINGRAY is for swimmers who have either completed Preschool 2, have recommendation from teacher to move into Preschool 3, or have intermediate skills. Children have already mastered kicking and pulling independently, floating unassisted, kicking on kickboard with little to no assistance, and jumping in and swimming back to the wall 5 feet. Children will work on backstroke, swimming 5 to 10 yards independently with rudimentary breathing, intro to dolphin kick, and streamline kicking 5 yards front and back.
- **Turtle (Level #1):** Group TURTLE is for the swimmer who has completed group FROG or can float unassisted and swim rudimentary freestyle. At the completion of level TURTLE, your swimmer will be able to complete the following: Front and back float unassisted; Freestyle and backstroke 5 yards assisted; Streamline kick on front and back unassisted 5 yards; Log rolls unassisted; Assisted rotary breathing; Assisted side-kick; 10 Independent bobs.
- **Penguin (Level #2):** Group PENGUIN is for the swimmer who has completed group TURTLE. In Group PENGUIN, swimmers will learn to swim freestyle with rotary breathing, backstroke, and will be introduced to dolphin and breaststroke kicks. In order to advance to the next level, the following must be completed: 10-15 yards Unassisted freestyle with rotary breathing; 10-15 yards Backstroke unassisted; 10-15 yards Streamline kick on front and back; Dolphin kicks assisted; Jumps in and swims to the wall unassisted; 15 Independent bobs.
- **Sea Otter (Level #3):** Group SEA OTTER is for swimmers ready to advance their swimming skills. In Group SEA OTTER, swimmers will enhance freestyle and backstroke, and continue to learn butterfly and breaststroke. In order to advance to the Dolphins pre-team group, the following must be completed: 25 yards Freestyle and backstroke; 25 yards Streamline kick front and back; 10 yards Unassisted streamline butterfly kick; Butterfly arms; 5 yards Unassisted breaststroke kick; 5 yards Butterfly.
- **Dolphin (Level #4 - 6):** The DOLPHIN group is a pre-team swim group consisting of swimmers who have completed Sea Otter swim lessons. This pre-team group is for swimmers looking to strengthen their swimming skills and learn the fundamentals of swim team. Swimmers entering the pre-team group must be able to complete the following: 25 yards Freestyle with rotary breathing; 25 yards Backstroke; 5 yards Butterfly; Breaststroke kick.

WATER EXERCISE / SWIMSATIONS

CARDIO & TONING WITH KAREN:

Change-up your workouts at the Pool! This class is a combination of cardio intervals along with strengthening and toning moves. Great for beginners or those with experience - a fun time for everyone!

Taught by certified instructors around the 4-foot depth.

Tuesdays & Thursdays: 6:00pm - 7:00pm

LOW IMPACT WATER EXERCISE WITH RENEE:

Get a great work-out without the pain! Water Aerobics offers great results while you enjoy the water. Low-Impact, High Intensity! All classes taught by certified instructors - class meets around the 4-foot depth.

AQUA BARRE WITH KATIE:

Aqua Barre is a fitness class that combines all the components of cardio, strength, and flexibility found in a ballet barre class with the benefits and fun of aquatic strength and conditioning. Ballet barre combines principles of Ballet, Yoga, and Pilates, and general calisthenics with a strong emphasis on posture, core strength, and proper technique. Instead of the classic barre and light dumbbells, gravity and buoyancy are both used to provide resistance and toning for the lower body, core, and upper body. No dance experience is necessary, and modifications can be provided to appeal to both beginners and experienced aquatic enthusiasts!

Mondays: 7:45pm - 8:45pm (This Punch Card Only Good for Katie's Class)

All Water Exercise Classes are offered through our Punch Card System

Punch Cards are good for 12 water classes. (Cards Expire after 8 Months)
